Our very best baseball bat is the "American Tire Co. Special" at 50c, It is equal to a 75c bat. It is made from seasoned Canadian white ash, which is much lighter than kiln-dried. It is very good for hard hitters, and does not split.

Our best baseball bat is \$1, but we have boys' bats as low as 5c. Our best boys' batcosts

Those Steel Golf Drivers

Among our golf clubs, the newest goods are our steel - faced drivers and brassies. These are the latest golf novelty and are faced with roughened steel plate, which, being solid, utilizes all the rebound of the ball to add to the length of the drive. In addition, the spring of the handle is unimpaired from the socket construction.

AMERICAN TIRE Co., 56 KING W.

Caddie Bags, \$1.50 Upwards

We have a very nice caddie bag in canvas, with ball pocket and strap, for \$1.50. But we especially draw attention to our stiff leather and pigskin caddie bags. We are very glad to show them, as well as our ladies' patterns, which run from \$1.75 up. AMERICAN TIRE Co., 56

Fly Books, 85c Upwards

KING W.

Our fly books for anglers run between 85c and \$2.50, according to size. The lower priced books are finished in pigskin with strap, while the large books, at \$2.25 and \$2.50, are finished in fancy brown leather. The pigskin books run from 80c, \$1, \$1.25 and \$1.50, according to size. AMERICAN TIRE Co., 56 KING W.

The Bramble Marked Ball

The Vardon Flyer golf ball is designed by Harry Vardon as a "flyer." It is made of the best gutta percha, and the projecting markings give greater lite to the ball than the usual sunk markings. It is in tact a revolution in golf-ball design. The Vardon Flyer golf ball costs 25c, \$3 a dozen. AMERICAN TIRE Co., 56 KING W.

Football Supplies

We carry a line of English and American football lines, Association or Rugby. Our leading ball is the four-piece "Oxford Association Special" ball, regulation size, at \$3.00. Mailed for \$3 25 to any place in the country. It is the best football in Toronto for the money. AMERICAN TIRE Co., 56 KING W.

An Arm Exerciser

Eugene Sandow invented the Sandow dumbbell as a home exerciser. These dumbbells, while answering the purpose of ordinary dumbbells for calisthenics, contain springs of graduated strength, to develop the muscles of the hand, wrist and arm. A chart is furnished with each pair, giving a properly graduated course. These patent dumbbells are highly nickeled, and a patent polishing cloth

goes with each pair, Come and see them.

Rain was general across the line yester day and baseball suffered accordingly. the other leagues averaged no better. The Torontos did not play at Buffalo as per schedule. Manager Barrow received a telegram from President Franklin in the morning, stating that it was raining there, and had been wet for several days, so that the

Providence Beat Hartford.

Providence, May 29.—Things went wrong for Hartford in the first inning to-day, and before they had them righted Providence scored four runs and the game was won. McCann, from Brooklyn, pitcned good ball for Hartford, altho his control was poor at the start and was a factor in the defeat. Braun made Hartford hit the ball and kept safe hits scattered. Score:
