Hotel Cecil Burned Down.

Ottawa, Jan. 25.—The Hotel Cecil was burned to the ground at an early hour this morning. The hotel was owned by ex-Mayor Davidson, who rebuilt it and had it newly furnished about three years ago. The loss is about \$60,000; insurance, about \$30,000. The guests on the first floor saved their belongings, but those on the fifth floor had to run for their lives in their night clothes. Some of them had to be taken out of the windows with ladders. One man held on for ten minutes by the window sill in his nightshirt until a ladder reached him. It is supposed that the fire started on the fourth floor in the switchroom from bad insulation.

Storm Missed the Soo.

John McKay, the well-known barrister of Sault Ste Marie, is in the city, registered at the Rossin. Mr. McKay states that on the night and day of the big storm last week in this city, they were having delighful weather at the Soo. He reports a steady development in the copper mining regions adjacent to the Soo, and a stir of activity in business generally in the whole district.
