MISS LAURA HOWARD,

President South End Ladies' Golf Club, Chicago, Cured by Lydia E. Pinkham's Vegetable Compound After the Best Doctors of Chicago Had Failed to Help Her.

Such letters as the following must surely convey conviction to the hearts of all women that the great claims that Mrs. Pinkham makes for her medicine must be based upon positive evidence.

Is it reasonable, think you, that we could hire such women as Miss Howard to speak well of Lydia E. Pinkham's Vegetable Compound just for commercial reasons? Impossible! and it is an insult both to her and to Mrs. Pinkham to suggest such an idea; therefore, let every woman read this letter and believe, for it is as genuine in every particular as the eyes with which you read these words.

Mrs. Pinkham invites all women who are ill to write her for advice. Address Lynn, Mass., giving full particulars.

MISS LAURA HOWARD.

MISS LAURA HOWARD.

*Dear Mrs. Pinkham:—I can thank you for perfect health to-day, and gladly do I acknowledge it. Life looked so dark to me a year or two ago. I had constant pains, my limbs swelled, I had dizzy spells, and never knew one day how I would feel the next. I was nervous and had no appetite, neither could I sleep soundly nights. Eight bottles of Lydia E. Pinkham's Vegetable Compound, used in conjunction with your Sanative Wash, did more for me than all the medicines and the skill of the doctors. For eight months I have enjoyed perfect health. I verily believe that most of the doctors are guessing and experimenting when they try to cure a woman with an assortment of complications, such as mine; but you did not guess when you mixed your Compound; you evidently know what you are giving suffering women and are sure of what it will do. How I wish all suffering women could only know of your remedy; there would be less suffering and many thousands more happy and healthy women in America."—Laura Howard, 113 Newberry Ave., Chicago, Ill.

O, my sisters, I do pray you to profit by Miss Howard's experiences; just as surely as she was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure every woman in the land who suffers from womb Compound cure every woman in the land who suffers from womb troubles, inflammation of the ovaries, kidne y troubles, nervous excitability, and nervous prostration; remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.

85000 REWARD. — We have deposited with the National City Bank of Lynn, \$5000, which will be paid to any person who can find that the above testimonial letter is not ganuine, or was published before obtaining the writer's special permission.
