DEMAND WAS GOOD BUT SUPPLY SHORT

Storms Kept Regular Attendant From Visiting St. Lawrence Saturday.

THE VALUES WERE FIR

Fowl Brought High Prices—Butter Was Ready Sale—Vegetables Stationary.

The severe snowstorms, which blocked the country roads, kept many of the regular attendants from coming to the market Saturday, thus diminishing the supply, and, as the demand was good, making prices firm.

New-laid eggs commenced at 38c per dozen, and later on cleared out readily at 35c per dozen, none going as low as they have for the past two or three weeks. A small lot of extra large ones brought in by C. Hall & Sons, Trafalgar and laid by Black Minorca hens, weighing 31 ounces to the dozen, bringing 40c per dozen. These were so large they were mistaken for duck eggs by a number of people.

Butter was in especially good demand, and was quickly disposed of at 35c to 38c per lb.

Fowl of all descriptions was very scarce, and brought high prices. Last year's chickens sold at 25c to 28c per lb. Last fall's broilers sold all the way from 30c to 35c per lb., while boilers brought from 20c to 23c, and live hens from 18c to 20c, some extra choice, heavy ones going as high as 22c per lb.

In the wagon section, the attendance was exceedingly small, and likely will be until the warmer weather makes the place fit to stay in. Prices for all vegetables kept about stationary, some 11-quart baskets of choice potatoes selling at 55c.

There were only four loads of hay brought in, selling at unchanged prices.

FIREMAN'S PROMPTNESS SAVED LIFE OF BOY

Capt. Taggart Climbed Into Burning House and Rescued Gordon Hall.

Gordon Hall, the 13-year-old son of Mrs. Hall, 57 Cecil street, owes his life to the promptness and bravery of Captain Taggart, of No. 8 hose wagon, College street firehall, who rescued him from a rear bedroom on the third floor of his burning home about 8.24 yesterday morning.

The boy who was awakened by the smoke, managed to partially clothe himself before tottering to the window. Captain Taggart saw him, and climbing a ladder reached the room and brought young Hall, who was overcome by the smoke, to the ground in safety. At first it was thought the boy was dead, but artificial respiration by the firemen brought him round.
