

RUGBY TORONTOS ACCEPT CHALLENGE FROM TIGER INTERMEDIATES

ARGOS' CRIPPLES DEFEAT TORONTOS

Great Contest in Fair Going Before Big Crowd Decided by Garrett's Field Goal.

Dudley Garrett's field goal, made possible by Mitchell's fumble, gave Argonauts the right to meet Varsity in the Dominion rugby finals next Saturday. With the score two to two Mitchell was unfortunate enough to make the only muffed of the afternoon and Argos were on top of the ball on Toronto's twenty-yard line like a pack of hungry wolves. Cochrane called for a drop kick on the second down and from an extremely bad angle Garrett laid over a clean-cut drop that went high over the bar and above the goalposts. The count was now tied 5 to 2 and the game ended that way. Only three directly in line with the flight of the ball were in a position to say whether it was a score or not. However, the press gang for once were in a good position to view the play and the Toronto spectators strenuously to the decision, the pen-pushers were a unit as to the correctness of the ruling by Referee Hugh Gall.

Toronto got a huge shock when Leslie Cassels trotted out with Argos, and he certainly proved an effective weapon for them. Time and again he went thru for yards, and his tackling in the open was clean-cut and effective. Argos were in the dumps before the game when Batstone's injured ankle and to the fact that Garrett was not in shape to do the kicking in his place. Furthermore, Alex Sinclair and Britnell turned up with about as much pep as a mud turtle, but willing to jump into the game if Coach Rodden thought it necessary. Sinclair was given the call and he did his part well. He did it well, too, and was in his old form, taking punts off the line and going thru the line frequently. Garrett went nicely thru the game, waiting the opportunity for a drop. It came, and Dud did his part with a beautiful field goal. Up to this time the score was two to two, and Argos looked a beaten team. O'Connor brought new life to them when he got in the game, but the Toronto were persistent and backed Argos up on their own line, despite him. Then the break came and Argos were masters thereafter.

Despite the weather four thousand fans turned up for the half contest and found the field in better condition than the previous Saturday. The game was without flaw until Mitchell's skyrocketed and was full of thrills. Dud Garrett turned George Brown back on a muddy field, 30 to 0.

well. In the early part of the contest Conacher outkicked him, but as the ball became heavy Munro began to make gains on all exchanges. Cassels added great strength to Argos' line both defensively and offensively, and they outplayed Toronto in this department. One note of interest in this department. He further distinguished himself by blocking Munro's kick on his own twenty-yard line, and for a big man on a slippery field was very surefooted. Argos' fighting spirit again manifested itself and when they looked beaten pulled the whip and came on to win. Toronto's underestimation of Argos was the cause of their defeat. They have been underestimated all year, but there is no one now who questions the right to be claimed a real team. The line-up:

U. S. RUGBY KILLED ELEVEN. Chicago, Nov. 27.—Football exacted a toll of eleven victims in the United States during the 1920 season, which closed with Thanksgiving Day's games, according to a report by the American Football Union. The number of deaths was five greater than in 1919, and one above the 1918 record. The 1917 season, the deadliest in football history, resulted in 15 deaths. At Boston, Mass., College maintained its record as the state with the fewest deaths, with only one. The state of New York had the highest number of deaths, with 11.

MANSON COME BACK AS AN INTERMEDIATE

Tigers Defeat St. Brigid's of Ottawa, Mainly Thru Sammy's Great All-Round Work.

Hamilton, Ont., Nov. 25.—Hamilton Tiger Intermediates showed their superiority on Saturday when they defeated St. Brigid's, Ottawa Intermediates, 15 to 6. The game was all over by the first quarter. The Tigers' success was mainly due to the playing of Sam Manson, former senior star, who has made a comeback with the Intermediates. Touhey and Charley Connell, on the back line, and the superior work of Manson, more than made up for their shortcomings. Connell took the kick-off and went for forty yards before being tackled. The Intermediates were playing, and could not get going. St. Brigid's rushed the play to the line, but could not get over, and Touhey kicked to Manson, who was forced to drop. This ended the scoring in the first period.

In the second quarter Tigers came to life. Manson outkicked Touhey, with the result that St. Brigid's were forced to battle to keep the Tigers from going forward. The Intermediates' punt was blocked, and Tigers secured. On the first down Manson smashed thru the line, and he made the score 9 to 1. In the third period the visitors forced the play and had the Tiger Cubes on the defensive. The centre proved to be huge ground-gainers, and with the ball one yard from Tiger's line, Mullen bucked over for a try. This was converted, and ended St. Brigid's' scoring. Manson secured another try for Tigers in the final period, and when the game was called Tigers were on the heavy end of a 15-to-6 score.

A peculiar coincidence to the game was that eight years ago the Hamilton Rough Riders, Intermediates, played Ottawa Intermediates on the same date, and history repeated itself on Saturday, when the Hamilton team again won. Line-up: St. Brigid's (6)—Flying wing: Pat Walter; right half, Carey; quarter, Brydges; scrum, Dymes, Smith, O'Neil; inside, Ireland, Zimmerman; outside, Caffery, Rohmer; outside, Cuzner, Bowman; spares, Davidson, Lang, Morris, Hill, Thompson. Referee—Parks. Umpire—Lawson. Line-man—McClelland.

CITY BOXING CHAMPIONSHIPS.

An opportunity will be afforded pupils at the various colleges of seeing the best amateur boxers in action Friday and Saturday nights of this week at the armory. If arranged, each college will have a representative in the competition. Col. Harbottle of the 78th Battalion Overseas is the champion under whose patronage the championships are being held. Has issued an invitation to the high schools, through the principals of each, to attend the tourney, and in the event of a favorable reply being received a section will be reserved each night for the pupils. Champions from Varsity, Guelph, O. A. C. and local clubs will participate in the competition, which promises to be the most pretentious held in years. Several boys who represented Canada at the Olympiad—Cliff Graham of the University of Toronto, and the late, to be named, who was runner-up in his class; Walter Newton of the same club, who also made a good showing at Annapolis, and who won at the recent Classic tourney—are listed to enter. There is also a chance that Corp. Prudhomme of the Princess Pals will come down from London to defend his title on Ontario champions. Entries close tomorrow night.

Paris Wants Next Olympic

Paris, Nov. 25.—The French Olympic committee has decided formally to propose that the 1924 games be held in Paris. The international committee will decide this question at a meeting to be held at Lausanne next June.

THE FORWARD PASS FAILS AND SUCCEEDS

Navy Discards It to Beat Army, and Thereby Dartmouth Defeats Washington.

At the Polo Grounds, New York—Line plunges with super-dreadnought bucks, aided by delayed and doubtful passes, enabled the Navy to triumph over the Army 7 to 0 in the annual gridiron clash. The teams have now played 22 games, and stand tied, with 11 victories each. The game was witnessed by 46,000 persons, and the attendance would have been doubled had there been room in the grounds.

The game was won early in the last period, when Ben Koshlitz of the Navy's left half back, and former University of Nebraska star, crashed over the Army line on a double pass play. Prior to that, both elevens had found the forward pass ineffective for offensive purposes. The Navy discarded modern aerial tactics and relied on a close square formation. Navy demonstrated far superior strength in line plunging, gaining a total of 138 yards net by 55 rushing plays against a net total by the Army of 61 yards in 34 rushes. Both teams were weak in punting. Preach of the Army being a special disappointment. Time and again he was smothered by the Navy line before he could complete a play.

Forward Pass.

At Seattle, Wash.—Dartmouth smothered the University of Washington by brilliant forward passing and won 28 to 7. Three of the Dartmouth touchdowns were made directly thru forward passes from Robertson to Jordan. The fourth was made by a battletime following a successful overhead attack. Washington's lone tally came in the first quarter, when Abel clocked a punt and carried the ball over.

One of the largest crowds assembled for an athletic event in the city, estimated at 30,000, witnessed the contest. At New York—Varsity 7, Army 0. At Cleveland—Alabama 40, Case School 0. At Seattle, Wash.—Dartmouth 28, University of Washington 7.

Torontos Play Tiger Cubs for Senior Title Saturday in Hamilton

According to the constitution the Tiger Cubs of Hamilton, winners of the intermediate O.R.F.U. championship, have issued a challenge to Toronto, the senior winners and the latter have accepted, the game to take place next Saturday in Hamilton. Confusion must ensue should the Cubs win, as then the Argonauts will not have disposed of the best team in the Ontario Union and naturally the Cubs will look for more conquests.

However, it is hardly likely that they will be further accommodated, but in case the little Tigers do defeat the Torontos, there's no reason on earth why those merry young newspaper chaps in Tiger-town, will not claim the honors.

Argos and Varsity will start tomorrow on the same field to play for the title in the game of the year, next Saturday, for the Canadian championship.

BABE BURKHART REINSTATEMENT.

Babe Burkhardt has been reinstated by the Amateur Athletic Union and the A. A. U. of C. according to a letter received Saturday by the Argonauts from President Galt of the board of governors.

FOR REINSTATEMENT SOME CANADIAN PROS

Amendments to Come Before Amateur Athletic Union at Annual Meeting.

Several amendments of a more or less drastic and contentious nature have been received by Secretary Norton H. Crow of the Amateur Athletic Union of Canada for consideration at the thirty-third annual meeting of the union, which is to take place at Winnipeg on the 10th and 11th December. A summary of these amendments is here given.

All branches of the union and allied members have been requested to submit reports of the year's activities, and these will no doubt furnish material for interesting discussion, especially the reports of those western branches where advantage was taken of the resolution passed last year permitting the reinstatement of certain professionals.

The athletic organizations in the Ottawa district are making application for recognition as a separate branch of the union, and their application has the endorsement of the Quebec branch, of which they are at present a part.

Indications are that the Winnipeg meeting will bring together a representative body of amateur sportsmen. Secretary Crow having already been advised of the attendances of delegates from all parts of the Dominion.

Each branch and allied members will be expected to submit a written report of the year's activities.

Article XI provides that members shall pay annual dues on or before the annual meeting. These are \$100 for branches and \$25 for allied members.

Branches are entitled to eight delegates or alternates, and allied members a delegate for each branch of the union in which they operate.

Amendments of motion to amend the constitution, which have been received as follows:

1. To permit the reinstatement of professionals who have refrained from participation in competition for at least three years. (Quebec branch).
2. To define as amateurs physical directors, parks or playground instructors or persons engaged in similar work who have never at any time competed as professionals. (Quebec branch).
3. To divide the union into two sections, east and west. (Quebec branch).
4. To create a new Ottawa branch of the union. (Quebec branch).
5. To recognize the Interchange of amateur cards between various governing bodies. (Quebec branch).
6. To define as amateurs of C. sanctioned competition must register with branch of the Union. (Maritime Province branch).
7. To authorize the union to collect \$5 on all registration cards. (The secretary).
8. Amend boxing rules to conform to international boxing federation rules. (The secretary).

Will Be Lively Contest For O. H. A. Executive

Nominations for office in the Ontario Hockey Association closed on Saturday, and while the chief officers of the association have been elected by acclamation, there promises to be a lively contest for the executive at the annual convention in the Temple Buiding on Saturday morning. There are four to be elected, and the following have been nominated: President, A. E. Copeland, Midland; Vice-president, Wm. Easton, Stratford; A. U. of C. governor, Francis Nelson, Toronto; treasurer, Sheriff J. G. Paxton, Whitby; secretary, W. A. Hewitt, Toronto; executive committee, Harold E. Tisdale, W. C. Snyder, Brampton; R. P. Isbister, Hamilton; Wm. Marsden, Toronto; R. Wylie Wilkins, Galt.

HOLY NAME HOCKEY TEAMS.

A well attended meeting of the Holy Name Society was held in the basement of St. Clare's Church yesterday morning with Mr. Fitzpatrick chairman and Mr. Holmes, the secretary, also present. The subject for discussion was the entering of hockey teams in the Holy Name League. The entries close tonight. It was decided to enter bantam and midget teams in the Holy Name League, and a juvenile in the Western City League. All members interested in the league will go ahead with the erection of the hockey cushion. Some good players from last year's teams were present, and it looks as the St. Clares will be well represented in both leagues.

THE VARSITY BOXERS CLEAN UP AT GUELPH

Winning Five Out of Six and Breaking Even in the Wrestling Bout.

The aggie boxing string came an awful cropper on Saturday night when at the Arena at Guelph the farmers put up a friendly clash against the Toronto Varsity second boxing string, the locals only winning one in six fistie encounters during the evening. In the wrestling events the aggie made a much better show and in drawing even in these bouts surprised the Varsity boys by their knowledge of the game, and defeating two of the Toronto intercollegiate champions.

There were over 1000 spectators in the hall, all greatly interested in the first intercollegiate boxing exhibition ever given in the city, while the Toronto boys greatly appreciated their reception and the sporting spirit of the crowd. Aggie students and coeds paraded the town before proceedings opened.

The results were as follows:

Wrestling. 118-lb. class—Young, O.A.C., beat Shirk, Toronto Varsity, on points.

145-lb. class—Ripley, O.A.C., beat Perry, Toronto Varsity. This bout was very finely contested, and after five minutes hard wrestling Ripley got an head chancery on the Varsity boy, which gave him the fall.

158-lb. class—Dodd, Toronto Varsity, beat Moran, O.A.C., a head chancery doing the trick.

Light heavy—Malley, Toronto Varsity, pinned Fordy to the mat after a strenuous bout by means of a head lock.

Boxing. 158-lb. class—Carssadden, Toronto University, lost to MacMillan, O.A.C., on points, after a hard hitting contest, in which science was thrown to the winds. The Judges evened the matter, but MacMillan was given the victory by the referee's casting vote.

175-lb. class—Goldie, Toronto University, knocked out Lethian, O.A.C., in the first round, a right cross putting the local to sleep in less than half a minute.

118-lb. class—Ewing, Toronto University, beat Macintosh, O.A.C., in less than half a minute, a right cross again doing the trick.

165-lb. class—Shennitz, Toronto University, beat Smith, O.A.C., on points, in the best bout of the evening, the local showing a good knowledge of the game, and there was not much in it at the finish.

145-lb. class—Moyer, Toronto University, beat Berenand, O.A.C., the local being knocked out in the first round by a left hook to the chin. Berenand was considered the best man the aggie boys had, but he was hopelessly outclassed.

125-lb. class—Belys, Toronto Varsity, beat Wilson, O.A.C., in half a round, a right swing to the jaw putting the local into event oblivion.

Manager A. B. C. Throop and Athletic Director Forman managed proceedings in a thoroughly creditable manner, the fans being more than satisfied, while the bouts were refereed by F. H. Blake, athletic director of Toronto University.
