## Take A Look

It would require too much space to put the style changes and variety of patterns in our Spring Clothing this season on paper. Besides the advertising rates have been greatly increased. More can be learned in a few minutes' inspection of the clothing stock than a whole column of description would convey. Every garment is shape-retaining, being thoroughly tailored by experienced and skilful tailors. Suits, \$12.50 to \$32. Overcoats:—Slip-on, \$12.50 to \$25; the over-fashionable Chesterfield in black and several shades of cheviot and worsted, \$15, \$18, \$20, \$22, \$25 and \$28.

## Don't Use Dangerous Antiseptic Tablets

It is an unnecessary risk. Use the safe antiseptic and germicide, Absorbine, Jr.—It kills germs quickly and surely without any possibility of harmful results; made of pure herbs, non-poisonous, and there is no danger whatever if the children get hold of the bottle. It retains its germicidal powers even when diluted one part Absorbine, Jr., to 100 parts of water—and its antiseptic powers one part Absorbine, Jr., to 200 parts water. The germicidal properties of Absorbine, Jr., have been tested and proven both in laboratory and actual practice. Detailed laboratory reports mailed upon request. Absorbine, Jr., \$1.00 and \$2.00 per bottle at druggists or postpaid. A liberal trial bottle postpaid for 10c in stamps. W. F. Young, P.D.F., 817 Lyman's Bldg., Montreal, Can.

## DO YOU SUFFER FROM Palpitation?

If there is no heart disease Dr. Cassell's Tablets will cure you.

Palpitation may be due either to weak disturbed nerves, and a debilitated system resulting from vital exhaustion, or to flatulence arising from dyspepsia. In either case the only rational treatment is to nourish your nerves and to strengthen your digestive organs. That you can always do by taking Dr. Cassell's Instant Relief. The proper course is to take Dr. Cassell's Tablets twice daily, and Dr. Cassell's Instant Relief at night. The first brings new strength and vitality, the second restores digestion and clears away the harmful matter from which flatulent gases arise. Follow this course and palpitation will soon cease to trouble you. We make only one reservation. If you have actual heart disease (which is rare), you should see a specialist, all other forms of palpitation these Tablets will certainly cure. Here is an extract from a letter written some time ago by the late Major-General Sir John W. Campbell, Bart., C.B.—I have pleasure in stating that I have derived great benefit from Dr. Cassell's Tablets, and have found them remarkably effective in restoring nerve energy and physical vigour. I have every confidence in recommending them."
