

## FOOD SOURING IN STOMACH CAUSES INDIGESTION, GAS

"Pape's Diaphepsin" Ends All Stomach Distress in Five Minutes

Wonder what upset your stomach—what portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diaphepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diaphepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diaphepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

## REGULAR AFTER EFFECTS OF GRIP THIS YEAR

Leaves Kidneys in Weakened Condition

Doctors in all parts of the country have been kept busy with the epidemic of grip which has visited so many homes. The symptoms of grip this year—often very distressing and leave the system in a run down condition, particularly the kidneys which seem to suffer as almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to dangerous kidney troubles. Druggists report a large sale on Dr. Kilmner's Swamp-Root which so many people say has healed and strengthened the kidneys after an attack of grip. Swamp-Root is a great kidney, liver and bladder remedy, and has a gentle healing effect on the kidneys, which is almost immediate in most cases by those who use it. Dr. E. C. Kilmner & Co., Birmingham, N. Y., offer to send a sample size bottle of Swamp-Root, on receipt of ten cents, to every sufferer who requests it. A trial will convince any one who may be in need of it. Druggists sell bottles for 75c and \$1.25. For sale at all druggists. Be sure to mention this paper.

## HON. MR. PUGSLEY IN COMMONS BRINGS UP IMPORTANT MATTERS

A Rake-off in Contracts For Ammunition? The Purchase of Those Submarines

Ottawa, Feb. 11.—After the budget speech was delivered in the house of commons this afternoon, Sir Robert Borden asked whether there was any objection to passing the resolution for the raising of \$100,000,000 for war purposes through committee without debate, and discussing it on presentation of the bill. Hon. Mr. Pugsley thereupon brought up the matter of ammunition purchases. He stated that he had information that several gentlemen from Canada had gone to New York some months ago and there placed contracts, supposedly as representatives of the Canadian and British governments, for millions of rounds of ammunition. The price paid was \$36 per thousand rounds, whereas the ordinary market price at the time was \$28. The affair was so well known that the Canadian colony in New York were hanging their heads in shame over the matter. Dr. Pugsley stated, in confirmation of his statement, that information just tabled by the minister of militia showed that whereas the Dominion Cartridge Company, a Canadian concern, had supplied ammunition to the government at \$31 per thousand rounds, \$38 was paid by New York for precisely the same kind of ammunition. He had no intention of charging the government with wrongdoing, but as one contract alone had been for 200,000,000 rounds, the matter should be investigated. Dr.

## GRAY HAIR BECOMES DARK, THICK, GLOSSY

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

Pugsley asked that the names of those who had passed themselves off as representatives of the British and allied governments should be tabled. In reply, Sir Robert Borden stated that he was not prepared to speak in regard to these rumors at present, but he ventured to state that the British government had an opportunity to pass up on the price of all ammunition bought through the Canadian government before paying for it. He also ventured the statement that prices even higher than those mentioned had been paid since the beginning of the war by the British and allied governments for ammunition.

That Submarine Deal

Dr. Pugsley then asked for the papers in connection with the purchase of two submarines for the Pacific coast. He stated that in regard to the order-in-council authorizing the purchase there had been two rather singular facts, the first being that while the price was stated at \$1,000,000, it actually cost \$1,300,000; the second that the order-in-council stated that the Chilean government was "unable to receive" the submarines, the natural inference being that its reasons were financial ones, while Dr. Pugsley had been informed that it was because the boats were not properly built. The member for St. John then took a fling at Hon. J. D. Hazen, stating that he had done all he could to prevent war vessels being built in Canada. He declared that the facts showed Sir Richard McBride, who might be described as the sixteenth member of the government, had evidently been pulling the leg of the minister of marine. Dr. Pugsley then read an account in the Seattle Sunday Times of the rejection of submarines by the Chilean government because they lacked buoyancy and were out of date.

Dr. Pugsley stated that it was the impression on the coast that some person had received a commission in connection with the submarine purchase. He said that he was in favor of adding submarines to the Canadian navy. There were in Canada several shipyards at which they could be built, notably at Moncton, where there was a magnificent shipbuilding plant; at Montreal, Esquimaux, Lewis, Halifax and other places.

He then referred to a Montreal despatch in a New York paper to the effect that eight first-class submarines were being built at the Vickers plant in Montreal. He wished to know whether it were correct.

In reply, Hon. J. D. Hazen stated he believed eight submarines were being constructed at the Vickers plant in Montreal, he presumed for the British government. They were to be completed by August next.

Dr. Pugsley retorted that the rumors seemed to have been shutting doors on the government as well as the press. He could see no harm in discussing a matter already published in the United States and Great Britain, but the rumors had prevented anything being published in regard to it in Canada.

The late Congressman W. W. Woodmeyer used to tell a story of ruin in the Klondike. He was going up the Yukon on a government junket, and the sky drizzled all the way. At one landing, a dejected-looking "sour-dough" stood on the wharf awaiting the boat. "I say, partner," asked Woodmeyer, "how long has it been raining?" "Dunno," he replied. "I've only been here seventeen years."

## CHILD GETS SICK CROSS, FEVERISH IF CONSTIPATED

"California Syrup of Figs" Can't Harm Tender Stomach or Bowels

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour. Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, "doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleaning" is of times all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

## WASHING WON'T RID HEAD OF DANDRUFF

Dissolve It, That's Best Way

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you want to preserve your hair, do by all means get rid of dandruff, for it not only starves the hair and makes it fall out, but it makes it stingy, straggly, dull, dry, brittle and lifeless, and everyone notices it. You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

Wakefield Penton, the ten year old son of W. I. Penton, had his right leg broken in a coasting accident last evening.

## C. OF E. INSTITUTE

Rev. R. A. Armstrong Elected President — Good Wishes to War Chaplains

The reports submitted at the annual meeting of the Church of England Institute last night showed a satisfactory state of finances and that much had been accomplished in the year just closed. Rev. Dr. W. O. Raymond presided in the absence of the chairman, and the meeting was very largely attended. The new officers elected for the coming year were as follows: Rev. R. A. Armstrong, president; John K. Schofield, R. Frith, Mrs. J. H. McAvity, Mrs. George F. Smith, and Mrs. W. D. Foster, vice-presidents; council, H. R. Sturdee, R. E. Coupe, Charles Coster, J. E. Secord, W. H. B. Saddle, Mrs. Walker, Mrs. W. O. Raymond, Mrs. J. K. Schofield, Mrs.

James S. Harding, Mrs. J. M. Hay, Mrs. L. P. D. Tilley, and Mrs. W. S. Neules. R. S. Coupe submitted the report of the council dealing with the year's work, the completion of the new building, and appealing for further aid for the furnishings.

Congratulations were extended to Rev. E. B. Hooper and Rev. G. A. Kuhring on their appointment as chaplains with the overseas forces.

"Your show was the worst we have ever had here," said the manager of the Hicksville Opera House as he handed the manager of the Fly-by-Night company his share of the box office receipts.

"That's queer," said the manager of the company. "Why, when we played in Chicago we had the longest run in the history of the city."

"I'm sorry," replied the manager of the opera house.

"Sorry about what?" demanded the manager of the company.

"Sorry the audience abandoned the chase," replied the manager of the opera house.

## Why People Feel Depressed in the Cold Weather

Why is tiredness and languor so prevalent just now? A physician explained that the cold of winter drives blood from the surface of the body to the liver. Normally one-fourth of the whole blood supply is in the liver and when more blood is accumulated in that organ everything goes wrong.

No better remedy exists than Dr. Hamilton's Pills which are composed of such vegetable extracts as Mandrake and Butternut, and possess wonderful liver stimulating powers. It's a marvel the way Hamilton's Pills clear the blood of the poisonous humors. They put new life into worn out bodies, build up the appetite, bring back a reserve of nerve energy, tide folks over the cold days of winter and the depressing days of spring. For your health and body comfort get a 25c. box of Dr. Hamilton's Pills today.

The People's Dry Goods Store has opened its doors for you to get your usual bargains, 14 Charlotte St.

**Order SUNKIST Oranges Today**

Big, Juicy, Sweet, Firm, Tender-Meated, Seedless Navels are Now on Sale in Abundance at All Good Dealers' Stores in Your Neighborhood

The name "Sunkist" stands for a rigidly maintained standard of quality, and these oranges come from California's finest groves. Picked only when fully ripened.

Prices are low. Sunkist cost no more than you pay for ordinary oranges.

Don't go without them now when they are so good and good for you.

**Sunkist Lemons**
