At Meductic and the cost of developing same. The information to hand was so meagre that the estimate of power and the cost of developing were little more than guess work...

TELLS OF WORK

The work we are now doing at Meductic includes complete topographical survey from the Pollock Bridge to a mile above Woodstock...

GRANITE LEDGE

It is also necessary to select the most economical site for building a dam across the river, and the power house which would, as a matter of course, be adjacent thereto...

RUN OFF RECORDS

For the past six or seven years the Dominion Water Powers Branch has maintained a gauging station at Hawkeshaw and for this comparatively short period run off records are available for the river...

We know the demand for nerve stimulants is great. When the weary body begs for repose that is deep—sound—restoring—of what benefit is sleep that is shallow—restless—easily broken? Nerves, whipped up by drug stimulants such as tea and coffee, simply can't relax. They quiver in shallow sleep.", "Tannin and caffeine found in tea and coffee are artificial stimulants which excite the nerves. Arch-foes of sleep! With you these agents may work fast or slow. Yet sooner or later their poisonous effects are certain, sure!", "Drink Instant Postum. There's not a taut nerve, sleepless hour or headache in it because it is free from all drug stimulants. Find out for yourself how good this rich full-bodied beverage is. Learn good it is for them to have a hot drink! Make Instant Postum for them, using hot milk (not boiling water) instead of boiling water! They'll like the taste immediately! And they will get the food value of the wheat, plus the nourishment of milk, in a hot drink that is economical and so easy to make!", "Carrie Blanchard's offer: 'I want you to try Postum for thirty days.
