Montreal, April 3.—A schedule of the Eastern Canada baseball league to comprise four clubs, Ottawa, Montreal, Three Rivers, and Valleyfield, was assured at a meeting of representatives held at the Windsor Hotel here yesterday. Quebec city was not represented, it being taken for granted that the ancient capital would not hold a franchise this summer. The season will open about May 10 and close September 10, and a schedule of 120 or 125 games will be considered. The league has applied for affiliation with the National Association of Baseball.

Milton was said by A. A. A. officials to have established new world's records on both events.
