PUMPKIN PIES THAT AROUSE THE APPETITE

Naturally we were surprised and delighted. Our discovery would seem to call for a rhythmic flow of poetic imagery. We feel that the mere writing of words can never express such a lucid appeal to the imagination that the wondrous sight of these flaky, home-cooked creations in the College Inn show cases do. Pumpkin, apple, custard pies that make the word miracle tame and strangely inappropriate. Also meat croquets, 5 cents each. Our own beef stew of delightful excellence, small meat pies, etc. And Mott's bread. You know what that name signifies, 16 cents a loaf, 105 Charlotte street, opposite the market.

HOUSE OF MANY BURGLARIES

Despite Locks, Bolts and Burglar Alarms, London Tailor's Store Is Entered for Sixth Time in Two Years.

(By Mail.) London, July 17.—There is one tailor's establishment in the West End that will house many burglars.

The last visit the marauders paid was only seventeen days ago. Mr. Roberts regards the police efforts to stop these burglaries more in sorrow than in anger.

When something is wrong with your comfort—when nervousness, indigestion, biliousness or some other upset makes you think you are not eating or drinking the right thing—if you're a coffee drinker, cut out coffee ten days and use

Instant Postum

This delicious drink with its coffee-like flavor, suits coffee drinkers. Its value to health soon shows, and its economy is so apparent under use that one quickly realizes.

Half a Pineapple For One Dessert

In fifty-jell desserts the fruit flavors are abundant. For instance, half a pineapple is crushed to make the flavor for one pint dessert. This is done in Hawaii from fruit too ripe to ship.

IRK-BOULDER

Christ church, Amherst, N. S., was the scene of a pretty wedding on Monday evening at 8 o'clock when Marjorie Boulter, daughter of the late Mr. and Mrs. Charles J. Willis, was united in marriage with James Herbert Kirk, son of Mr. and Mrs. John T. Kirk of Sussex.

APROL

The finishing touch of taste
Frog Meat in Tokio.
Tokio, July 1.—Frog meat made its first appearance last month in the menu of one of the most popular restaurants of the city. Frogs had never been considered as a food until very recently by the Japanese. They were kept at the Infectious Disease Experimental Station where experiments were made in breeding and raising. The government has taken steps to encourage the raising and eating of frogs.

THE LIFE OF THE LIVER

Whether life is worth living or not depends upon the liver. Cut out meats and other foods that clog the liver, drink lots of pure water, eat Shredded Wheat and fresh, green vegetables. Shredded Wheat contains all the vitamins and all the tissue-building elements in the whole wheat prepared in a digestible form. Two of these crisp little loaves of baked whole wheat with hot milk or cream make a nourishing, satisfying meal at a cost of a few cents.

SELECTED IMMIGRATION. Port Arthur News-Chronicle—Canada has sufficient land west of the lakes to support in comfort ten times as many people as inhabit the whole country at the present time, and ultimately that part of the Dominion will be a hive of manufacturing and industrial activity. While we welcome the hundreds of thousands who will pour into the country from all Europe when the times are more in tune, Canada should see to it that only those who will make desirable citizens shall be admitted, men and women who possess the ability to adapt themselves to Canadian conditions and Canadian ideals, and will help to a realization of those ideals.
