

Ex-Major Leaguers Thick in Big Minor League

IN CLOSE GAME GREEKS LOSE TO FREDERICTON

Hard Fought Battle Ends 4 to 3 - St. Croix Takes Another From Bangor 12 to 10

Maine and New Brunswick League. Won. Lost. P.C. St. Croix 19 11 63.9

A pitcher's battle for the first five innings, two had seasons for each team and a neck and neck finish with Fredericton pulling out ahead by 4 to 3 were the features of one of the best games played in St. John this year.

Fredericton started in the box for Fredericton yesterday, was invincible for five innings but in the sixth Pinkerton and Shanley began the trouble after two men were out by pretty singles; Dedrick then blew up and before the inning closed St. John had three runs.

Hits by Duggan and Stone, an error by Shanley, a dropped third strike and a passed ball won Fredericton three runs in the seventh. Ganley walked in the eighth, stole second and third and was scored by Stone's safe hit in the eighth.

No further scoring took place, although both the Marathons and Fredericton got men on bases in the last inning.

Charles pitching was the bright spot of the St. John team's work. He was always hard to hit and generally an enigma to the Capital's batters. O'Brien and Ramsey also did stellar work for St. John. The box score:

Fredericton. A.B.R.H.P.O.A.E. Neavey, ss 4 0 0 1 1 0

Marathons. A.B.R.H.P.O.A.E. O'Brien, 3b 4 0 1 0 3 0

\*Batted for Waterhouse in ninth. \*Condon out on strikes with first occupied.

Score by innings: Fredericton 000000810-4 Marathons 000003000-3

Summary—Earned runs, Fredericton, 0; Marathons, 0. Bases on balls by Dedrick, 8; by Condon, 1; by Charles, 1. Struck out by Dedrick, 5; by Condon, 2; by Charles, 10. Left on bases, Fredericton, 4; Marathons, 7. Wild pitch, Charles. Passed balls, Watt (8). Time of game, 2 hours 10 minutes. Umpire, Keeler. Attendance, 700.

There was a total of thirty-one hits in the game yesterday at Bangor which St. Croix won twelve to ten by a grand rally in the eighth inning. Browning, Bangor's new pitcher, lasted but one inning and was replaced by Jersild, who also was hit hard. Wildes had a great day at the bat, getting four hits out of five times up. Tetrault's all round work for St. Croix was the most marked feature of the game. Box score—

St. Croix. A.B.R.H.P.O.A.E. Jacobson, lf 5 3 1 3 0 0

Bangor. A.B.R.H.P.O.A.E. Dolan, lf 3 4 1 2 0 0

The Western league is filled with men who have been tried and found wanting by the majors.

Last year the league was raided and stars "went up." This season there is a dearth of material in sight, apparently, but the organization is full of men who are classed as stars by the fans.

And they are stars—minor league stars who fall just a bit short of circulating in the big show.

At St. Joseph there is Joe Kelley, left fielder. Kelley is a corking good base runner. In fact, he is sensational. He is lead-off man for Jack Holland's bunch.

Fleet, a good hitter, brash, he looks goods enough for another trial in the majors. Chicago had him a couple of years ago and turned him back. In the field Kelley is a team in himself, playing the batters with rare skill and gobbling hard drives with ease.

"Dutch" Zwilling, 1b; "Red" Meinke, ss; Ralph McConaughay, p.

why he hasn't remained in the majors. He is one of those players whose work always looks indifferent, but he is a hard worker.

"Rip" Watson, "Red" Meinke, who has also had his trial, and Ralph McConaughay are among the men who have been keeping St. Joe in the first division.

Western league dopsters predict that Denver, Omaha or St. Joe will win the pennant this year, with the odds favoring Jack Hendricks, champion.

World's S. S. Convention. Zurich, Switzerland, July 15.—The World Sunday School Convention, which has been in session here for the past week, came to a close today.

The annual enjoyable annual picnic was held by St. George's, church of England Sunday school, at Westfield yesterday.

Well organized committees had charge of the amusements and games, in which many took part. The prize winners in the various competitions were—Mrs. George Maxwell, Mrs. Lord, Mrs. McIrvin, Charles Brennan, and Joshua Lee.

ANOTHER CHILDREN'S DAY. Through the kindness of ex-Alderman Frank L. Potts, the Artillery band has been engaged for a last children's day at the Marathon grounds next Tuesday when St. Croix plays here.

The children will then have been given a chance to see all the league teams play here. The city commissioners and all the clergymen of the city including Bishop Richardson and Bishop LeBlanc have also been invited to attend by the management.

Beaconsfield School District. At the annual meeting of the ratepayers of Beaconsfield school district last evening, it was reported that there was a surplus on hand after the year's work, and other reports of an encouraging nature were presented as well.

G. E. Logan presided, with W. O. Dunham as secretary. The sum of \$2,000 was voted for opening an additional room at the school and getting another teacher. Trustee H. W. Henderson was re-elected for another term, and J. W. Carleton and G. W. Baillie, re-elected auditors. It is thought that a new school may soon have to be erected, as the district is extending to such a marked extent.

To take bruises out of furniture wet the part with warm water. Double a piece of brown paper six times thick. Soak it and lay it on the place. Apply on that a hot flatiron until the moisture is evaporated. If the bruise has not gone repeat the process until the dent or bruise is raised level with the surface.

HALIFAX OFFICERS MAY NOT HAVE CHANCE TO RESIGN

Ottawa, July 15.—"If any officer of the permanent force or militia, wishes to resign because of my remarks at Halifax, they are welcome to do so," declared Colonel Sam Hughes, minister of militia, this morning, when his attention was called to a report from Halifax that some officers contemplated resigning from the force unless the minister of militia apologized.

"I have nothing to apologize for. I said nothing at the dinner which could offend any man at the dinner, who behaved himself or any man of the permanent force of militia of Canada, who conducts himself as a soldier should."

There were a hundred and twenty-five guests at the dinner, and only a half-dozen were guilty of a breach of good taste, so it is said by guests who were there. Colonel Hughes gave orders to the hotel management that no liquor was to be served at the dinner, and none was to be brought into the room on the private order of any guest.

In spite of this order, it is said that the strategy of some officers enabled them to get around the orders. Some of the officers, it is understood, will be saved the trouble of sending in their resignations, as their cases are being officially dealt with.

TRADES AND LABOR CONGRESS WARNS BRITISH WORKMEN. Ottawa, July 15.—That Great Britain is being flooded with a mass of misleading information by public bureaus, employers' associations, builders' exchanges, and others in Canada, with the result that the labor market in this country is flooded to the extent that every important city has its quota of unemployed, and that the object of this special campaign, to attract tradesmen and laborers to lower wages and lengthen hours of work, are charges set forth in a strongly worded pamphlet just prepared by the Trades and Labor Congress of Canada.

The message is being sent broadcast to the Unions of Britain, and the continent as a warning to stem the tide of workmen being sent over here under what are alleged to be false pretences.

The warning is signed by J. C. Waters, Ottawa, president of the congress; Fred Bancroft, Toronto, vice-president, and P. M. Draper, Ottawa, secretary.

FOR LOCAL OBSERVANCE OF PEACE CENTENARY

Christmas day, 1914, will mark the one hundredth anniversary of peace between Great Britain and the United States, and here in Canada plans are being prepared for a celebration that will do honor to the occasion.

A Canadian Peace Centenary Association has been formed and the organizing secretary, E. H. Scammell, of Toronto, is now in the city, making preparation for the celebration in this part of the dominion.

Mr. Scammell, the organizing secretary who is now in the city, will call on a number of local citizens in order to receive a pledge of their support to the plans proposed. He will also form a provincial committee and on Thursday will leave for Fredericton where the matter will be placed before the local government and their support asked. It is expected that everyone will enter heartily into the scheme and the celebration will be the greatest of its kind ever held.

CHINA AROUSED BY NEW DEMANDS MADE BY RUSSIA. Peking, China, July 15.—Russia today suddenly presented to the Chinese government new demands requiring recognition of the full autonomy of outer Mongolia, declaring China to be the suzerain only; binding China to accept Russian intermediation and recognizing all the rights conceded to Russia by the agreement and protocolization at Urga the capital of Mongolia, on Nov. 8, 1912.

These four new demands are submitted by Russia in substitution for the recent proposed agreement which has not yet been signed and which Russia announces she has decided to annul. Both houses of the Chinese parliament have been hastily summoned to consider the demands. Strong opposition to them is voiced by both Chinese and foreigners, and great excitement prevails at the unexpected turn of events.

The young folks don't know why, but they just love Kellogg's Toasted Corn Flakes—

It owes its rare goodness and appetizing flavor to our secret process of manufacture—

It's good for the children at all times and seasons.
