#### FUNNY MEN'S SAYINGS

WHAT THE SAD-EYED SCRIBBS OF THE HUMOROUS PRESS WRITE.

Places and About a Great Number of Subjects.

Dealer—Yes, that picture is worth \$800. Countryman—Gosh? It must be hand-painted.—[Tid-Bits.

A SUPPOSABLE CASE. Omaha Boy—"Pa, was Sampson killed by his wife?"

"Pa—"It amounted to that. She be-

"Strike Out Like a Man," was the title of a poem that was sent to an editor, and he did; he struck out all but the first yerse, like a man, and printed that.—
[Texas Siftings.

"Shall we play for a little money, Miss Smith," he said, tenderly, as they sat down to a game of cards, "or simply for love?"

Into it from the outer air.

Frequent application of alcohol abstracts the water of the skin, makes it dry and brittle, and impairs its nutrition. This is also true of glycerine. All toilet washes containing alcohol to any considerable extent should be avoided.

Put most into a love are into a love and the same alcohol and the same alcohol to any considerable extent should be avoided.

Creditor—Rrown, you teld me three months ago that you would come to my office and settle up your account.

Debtor—I know I did, but it occurred to me that the office should seek the man, not the man the office.

If you would keep your face and hands unwrinkled, use tepid water; very hot or cold water is injurious. Also avoid burying the face in a soft pillow at night, which always produces wrinkles around the eyes.

The way hours places that the face and hands unwrinkled, use tepid water; very hot or cold water is injurious. Also avoid burying the face in a soft pillow at night, which always produces wrinkles around the eyes.

The way hours places that the face and hands unwrinkled, use tepid water; very hot or cold water is injurious. Also avoid burying the face in a soft pillow at night, which always produces wrinkles around the eyes.

FOR MUSICIANS.

On the evening of St. Patrick's Day (last Saturday), a musical entertainment was given in St. Peter's Hall, Portland The programme opened with an address

WHERE THE WEIGHT CAME IN.

First Tramp—"Why, you're only five feet high and I'm over six. It's foolish in you to say that you weigh more than I do."

Second Tramp—"It isn't foolish at all. That young housewife over there gave me a piece of sponge cake awhile ago and I ate it."

"Is that so? I guess you will outweigh me, after all."—[Nebraska State Journal. How considerate!

"Ireland as it is" was well put on and elicited well merited applause. The City Cornet Band gave two selections—one of Irish airs—in their usual excellent style. W. F. Danaher gave a solo, which was so well received that he had to respond to an encore, as did also Mr. Geo. McSorley, and the Masters McCafferty in their Highland Fling were loudly applauded. The cap were worn by the english nobles in the middle of the 12th century, and I have pleasure in saying that Hag-

"Oh, I think it's wrong to play for the meat and oven get hot together the meat will be tough and the gravy gray.

"Then we will play for love?"

"Yes."

"And if I

"Then we will play for love?"

Never let the sun rays strike a mirror. It acts upon the mercury and makes the glass cloudy, which all the rubbing in the world will not remove.

THE WHIRL OF TRADE.

Toung man to posternally call a call this tree?

Peliceman—You'd better take the next ene, sir; there's sixteen men already gone up this one.—[Washington Critic.

HE SPOKE BETTER THAN HE KNEW.

Countryman (in art store)—I s'pose a paintin' like that runs right smart inter money?

Toung man to posternally designed to respond to energy and sallor state and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create and sallor hats is among utter strangers, it is natural to suppose that she was anxious to create favorable impression, and to convey the including children's and suppose that she was anxious to create favorable impression, and to convey the including children's and suppose that she was anxious to create favorable impression, and to convey the including children's and suppose that she was anxious to create favorable impression, and to convey the including children's and suppose that she was anxious to create favorable impression, and to convey the including children's and suppose that she was anxious to create their performance was very creditable, and she was anxious to create their performance was very creditable, and she was anxious to create their performance was very creditable, and she was anxi tect his brain receptacle from the too ment of English stiff, hats and English fervent rays of the sun, he did nothing silk hats in all the latest shapes will be As announced last week, St. Patrick's
Day way duly observed in Fredericton by a concert in St. Dunstan's Hall, and it by a concert in St. Dunstan's Hall, and it world all the way down to the present was well carried out.

Werld all the way down to the present by this firm is yery complete, and have day. The farmer wears a cabbage leaf ing been purchased in the best markets

by his wife?"

"Pa—"It amounted to that. She betrayed him to those who wanted to kill him."

"What did she do that for?"

"I don't know. Maybe she gave him a letter and he forgot to mail it.—Omaha was very well carried out. The play world.

"Institute on Monday evening by the Young Men's Society of St. Joseph Dramatic Club, for the benefit of the orphans, a letter and he forgot to mail it.—Omaha was very well carried out. The play "Ireland as it is" was well put on and aliaited well warried awalance. The Citation of the form of a genuine Havana cigar; and when an genuine Havana cigar; and when an editor is seen with his head swathed in cabbage leaves, it would be cruel to intend the form of a genuine Havana cigar; and when an editor is seen with his head swathed in cabbage leaves, it would be cruel to intend the form of a genuine Havana cigar; and when an editor is seen with his head swathed in cabbage leaves, it would be cruel to intend the form of a genuine Havana cigar; and when an editor is seen with his head swathed in cabbage leaves, it would be cruel to intend the form of a genuine Havana cigar; and when an editor is seen with his head swathed in cabbage leaves, it would be cruel to intend the form of a genuine Havana cigar; and when an editor is seen with his head swathed in cabbage leaves, it would be cruel to intend the form of a genuine Havana cigar; and when an editor is seen with his head swathed in the form of a genuine Havana cigar; and when an editor is seen with his head swathed in the form of a genuine Havana cigar; and when an editor is seen with his head swathed in the form of a genuine Havana cigar; and when an editor is seen with his head swathed in the form of a genuine Havana cigar; and when an editor is seen with his head swathed in the form of a genuine Havana cigar; and when an editor is seen with his head swathed in the form of a genuine Havana cigar; and when an editor is seen with his head swathed in the form of a genuine Havana cigar; and when an editor is seen with his head swath

First Actor—"Great Scott! This paper says that owing to the extensive building in the West there is liable to be a great scarcity of bricks for some time."

"Well, how does that affect us?"

"Why, what'll we do to fill our grips?"

"Inberaska State Journal."

"Init the programme is carried out as at present contemplated, the affair will be one of the pleasantest of the kind held in the city this season.

"Why, what'll we do to fill our grips?"

"The closing concert of the Y. P. A. of some of those seen on the street."

is poem that was sent to an editor, and he did; he struck out all but the first yerse, like a man, and printed that.—
ITexas Siftings.

"How it all comes back to me," murmured the poet sadly, as with practiced fingers he estimated the thickness of the portly package of MSS. which he had just taken from the Post Office.—[Buffalo Drift.

"Let me tell you," said the contributor, "about my first poem." "I haven't time," said the editor, gently, but with a tinge of weariness; "but I'll sit here all night fif you'll tell me about your last one."—
[Burdette.

A budding poet sent a beautiful prodution to a weekly paper. It was entitled "Woman's Greed." The compositer was short-sighted and it appeared as "Woman's Greed." The poet went and hung himself, and the citizens sent a card of thanks to the editor.—[Burlington from the cuter air.

The air of a sick chamber should always be kept so fresh that there will be of thanks to the editor.—[Burlington from the outer air.

The air of a sick chamber should always be kept so fresh that there will be acard of thanks to the editor.—[Burlington from this city to the editor of the Chicago News, the gifted "crested poet of the West," whose contribution is below. Possibly it may be worth publishing. It is handsomely engrossed in gold and celored inks:—

LOLLABY.

[Cinca 1660.]

Hush, beanie, dinna sreit; Medier will reoke her sweete—Balowe, my boye:
When that his toile ben done, branches there will be silver is put in.

The air of a sick chamber should always be kept so fresh that there will be acard of thanks to the editor.—[Burlington from the outer air.

The air of a sick chamber should always be kept so fresh that there will be acard of thanks to the editor.—[Burlington from the outer air.

The air of a sick chamber should always be kept so fresh that there will be doning hot when the silver is put in.

The air of a sick chamber should always be kept so fresh that there will be doning hot when the silver is put in.

The air of a sick chamber should always be kept so fresh that

Then droped a bemble bee Softly this song to thee: "Balowe, my boye:" And a wee heather bell Plucked from a fayry dell Chimed thee this rune hersell; "Balowe, my boye."

Chicago, March 6th, 1888.
"Possibly it may be worth publishing?" "Then you don't get anything, of course; If the soft water that flows in your cut, please."

If the soft water that flows in your pipes is yellow, put blueing into the boiler before boiling the clothes. It will give them a better color.

Chicago, March 6th, 1888.

"Possibly it may be worth publishing?"
My dear friend, the words merit a diamond setting!

Charlotte street, from which stand they have recently been compelled, by a presthe eyes.

the eyes.

The way house plants thrive on the dregs of coffee left at breakfast is admirable. Bowker itself hardly turns out strying to carve the duck, "that this is a canvas-back?"

"I was only going to remark that there is nothing of the shoddy about the marterial."

the eyes.

The way house plants thrive on the dregs of coffee left at breakfast is admirable. Bowker itself hardly turns out strying turns out strying to carve the duck, "that this is a canvas-back?"

"Yes." returned the landlady. "Why?"

"I was only going to remark that there is nothing of the shoddy about the marterial."

The desire of more and more rises by a natural gradation to most, and after that to all.—L'Estrange.

The way house plants thrive on the dregs of coffee left at breakfast is admirable. Bowker itself hardly turns out stronger leafage or such thick bloom. The grounds are a good mulch on the top of the soil, but a little care must be given not to let them sour and get musty.

"Well, you see, Your Honor," said the citizen, "I was afraid of waking up my wife, an' she's the darndest coward about burglars you ever see."—[Epoch.

"I have pleasure in saying that Hagyard's Pectoral Balsam cannot be excelled for curing Coughs, Colds and Loss of Voice. It cured my brother completely. So says Ira McNead of Poplar Hill, Ont., regarding this popular remedy.

"Sometimes they use them sharp on the crowne, poarking up like the spire or shaft of a steeple, for general utility housed."

England pays nearly \$500,000 yearly for general utility housed.

"Why, what'll we do to fill our grips?"

—[Nebraska State Journal.

The closing concert of the Y. P. A. of St. Andrew's Church came off on Tuesday evening and was a very pleasing and worthy of their wearers. God bless the little children; they are very dear to me: successful entertainment. There was an excellent programme, which was well carried out greatly to the delight of the large audience.
