

A LEADING MANUFACTURER TOOK OUT \$20,000.00 ENDOWMENT INSURANCE IN 1896 IN THE
ONTARIO MUTUAL. SEE THE NEXT PAGE FOR HIS REASONS.

THE INVESTOR. Why not place your \$100.00 with the Ontario Permanent Building & Loan Association, of Woodstock, Ont., and have it doubled in 11 years, beside receiving during the interval 6 per cent. per annum paid to you every six months. In other words for your \$100.00 you will receive as interest \$66.00 and a lump sum of \$200; making a grand total of \$366.00. An investment safe as government securities and much more profitable: realizing the investor an equivalent to 15 per cent per annum. Simple interest.
