

R. H. JARVIS ESQ., *Grand Chancellor of Ontario.*

Dear Sir and Bro.—I have the honour herewith to make my report as D.D.G.C. of the 3rd District, for the year 1890-1.

During my term of office I have made three official visits to each, Mizpah Lodge, No. 22, Myrtle Lodge, No. 2, and Prospect Lodge, No. 10. I am pleased to state that the three lodges are working harmoniously. I regret to say that some of the officers have not discarded the use of the rituals during the conferring of ranks, and I believe that if the Grand Lodge would make it compulsory for the officers to memorize the ritual before receiving the rank of P.C. our subordinate lodges would be greatly benefited. In regard to the standing of the three lodges I may state that they are in a very prosperous condition, both financially and numerically.

Prospect, No. 10, has made the largest increase in membership during the term. This lodge has been fortunate in having very little sickness among its members. I cannot say the same of Myrtle and Mizpah. Myrtle, No. 2, suffered a great loss in the death of our esteemed brother, James Smith, late G.M. of E., who was the oldest Pythian in London; and one of the mainstays of the lodge. Mizpah, No. 22, also suffered the loss of one member by death, Bro. Chas. Clue, who was killed on the railroad. Both of our deceased members received all the attention that could be given them by their brother Knights and were buried with Pythian honors.

Our section of the Endowment Rank is in a very healthy condition and doubled its membership since last term.

At a meeting of Past Chancellors of No. 3 District, held on the 13th inst., P.C. Dr. W. M. English, of Mizpah Lodge, No. 22, received the unanimous nomination for the ensuing year as D.D.G.C. He is in good standing in his lodge and his address is 688 Dundas St., London. I have much pleasure in recommending his appointment.

I have every reason to feel gratified with the growth and prosperity of the order in this district and I believe we will have a large increase in membership during the coming year.

All of which is respectfully submitted in F. C. and B.

S. A. WEBB,
D.D.G.C., No. 3 District.

Dear Sir and Bro.—As District Deputy of Essex District, K. of P., I regret that it is impossible for me to make a more full report than that which accompanies this. During the past year the lodges in my district have been working harmoniously, being very careful of the material they have selected for mem-
