GIRL TYPEWRITER AUTHOR OF PLAY

Writes Four-Act Piece, Which Critics Speak of in Laudable Terms. LONDON, May 1—At any rate, a remarkable evening is sure to be in store for the audience at the Court Theatre Sunday, when the ever-energetic Play Actors will introduce an extremely challenging play by a new, young and interesting author. This is Miss Elizabeth Baker, a typist, who, though little more than a girl, and absolutely without either connections or stage experience, has thus had her first attempt at a full-blown four-act play launched upon the world by one of the keenest and most competent of all dramatic societies. A charming, modest, unassuming girl, Miss Baker lives with her parents in a simple suburban home, at Bedford Park, going to the city each day to earn her living. She assured a reporter who called upon her yesterday evening that nothing was further from her wish than to force herself into public notice. About the play, which is called "Chains," she naturally did not wish to boast until the first night's verdict had been given. Every one, however, who has seen it speaks of it in the most enthusiastic terms. It was accepted by the Play Actors immediately upon submission and it is said to be particularly remarkable for its naturalness, its apparently complete absence of stage artifice, and yet unflinching interest. It seems, said a prominent member of the society, just as if it were a real London life, set down without any straining after the sensational, but with quite amazing cleverness and insight, and with an unobdurate and inevitable message.

TRAVELLING CIGAR MAN WORKED SMOOTH GAME

A smart and very energetic cigar salesman who is said to travel under the alias of Sammy Lane, is being anxiously sought by Ernest Friers, the Mill street cigar merchant, and others. Lane carried a large variety of cigar samples, and for the past few months worked up a rather large business in the city and through the out of town districts. He sold goods for Mr. Friers and others on the commission basis, and being a good talker he managed to place a large number of orders. He was most generous with his customers, and made collections, and these collections, which amounted to upwards of \$300, have not been handed in to the cigar merchants who filled the orders sent in by the travelling salesman. An amusing instance in one sale of cigars is that Lane, not being able to obtain a cash payment for goods delivered to an out of town party, took as security a cow, which is now being kept in a rural stable, and the owner of the cow is expected before the matter is settled. Mr. Friers said that Lane did not get into him as much as the others and that his loss does not amount to much. It is stated that Lane left the city Wednesday night on an east-bound train and is thought to be working his way through Nova Scotia or Cape Breton. The local police are aware of the matter and claim that the salesman has been in trouble before. Lane is said to have a wife and family residing in the city.

Dartmouth Gun Club Shoot

The Annual Good Friday shoot of the Dartmouth Gun Club proved a great success this year. High Average was won by H. Green, using Regal shells loaded with Ballistite powder. J. A. Mahony in won the Depoit Trophy, breaking 18 blue rocks out of 20. He too used Regal shells loaded with Ballistite powder. It is a significant fact that the majority of the shooters used DOMINION SHELLS.

STORK'S COMING TO MAKE PRINCESS ALICE HAPPIER

MRS. NICHOLAS LONGWORTH.

ISN'T THIS A NICE PLACE FOR A STORK TO VISIT? HE LONG-WORSHIP SUMMER HOME. The course also includes numerous other matters pertaining to the proper bringing up of a juvenile Nick or Alice, and is being imparted by all the wise old dowagers in her wide circle of friends and acquaintances. And they also say that Mrs. Alice expects the visit of the stork, before many weeks. At any rate, caretakers of the Nicholas Longworth summer home, not far from President Tat's new summer home, at Beverly, Mass., have received orders to open up the house and get in readiness for the coming of Mrs. Alice, who will arrive there early in June. The house is beautifully situated and contains a magnificent view of Massachusetts bay. It is sufficiently excluded from the noise of the multitude, in the middle of a large estate, to be a real resting place for a young mother.

Mahoney will act as manager and hold down the position of shortstop, while Fred and Arthur may also be in the lineup. Charles McCormick will captain the North End team during the coming season. NICHOLASVILLE, Ky., May 2.—Brooding over a quarrel with his sweetheart, Alexander Jennings, 21 years old, son of wealthy parents, threw the congregation at a crowded country church at Little Hickman in a panic today by firing a bullet into his brain. Worshipers fled from the church but later returned and removed Jennings from the church before he died.

JOHN MARSH WINS DERBY

John Marsh, a Winnipeg runner, won the Canadian Marathon derby at the Island Saturday afternoon, finishing one and three quarters laps ahead of Abbie Wood of the Montreal Harriers. Selton and Marsh set the early pace, but the Winnipegger was too fast and Selton dropped out in the seventeenth mile. Marsh's time for the distance was two hours, thirty-nine minutes and forty-seven seconds. The distance was supposed to be twenty-six miles, three hundred and forty-six yards, but the track was little short of that.

MARATHONS SELECT RAMSAY CAPTAIN

An enthusiastic meeting of the Marathon baseball club was held in the Y. M. C. A. on Saturday evening, when preparations for the coming season were made. For the position of captain Edward Ramsay was the choice of the assemblage. Mr. Ramsay is a splendid player and will doubtless make a good head for the Greeks. The meeting appointed J. Bradbury to act with the management, D. B. Donald, Charles H. Tilley and Captain Ramsay in connection with the formation of a provincial league. At this evening's meeting to organize the St. John City League Messrs. Donald, Tilley and Ramsay will represent the Marathons. It has been the intention of the members of the team to begin the first practice of the season on Saturday. The disagreeable weather made this course impossible. The Greeks intend to start the ball rolling for the first time on Tuesday, when the members of the team will assemble for practice.
