The ordination of P. Lawson Cosman, a former resident of St. John, took vlace in the Free Baptist church at Crystal, Maine, on Sunday last. The ordination was conducted by Rev. F. C. Whitcomb in the presence of a large number. Mr. Cosman will remain in charge of the church at Crystal, which we reported to be in a flourishing con-dition.

Harbin of the softence court, and Pierce, Yonkers. The conference is only deliberative, but its chief virtue lies in bringing into closer truth the several branches of the church throughout the world and in unifying so much as possible the excent course of sector.

*

Judge Forbes has returned from New York, where he attended as a delegate the ninth quadrennial con-gress of the Pan-Presbyterian Church. His honor was unable to stay out the entire conference, but he was present of its opening and took a prominent part in the deliberations of the first few days. In all there were some five hundred delegates present, one hundred and fifty of which halled from Great Bri-tain and the continent. Prominent among these were Dr. Dykes, London, Dr. McPhall, London; Prof. McAllister, Cambridge; Prof. Orr, Giasgow; Dr. Woodside, Glasgow; Sir Alex Simpson, by Dr. Duval, Winniper; Dr. McKay, Toronto; Dr. Ross; London, Ont.; Weits John. Among the foreign representa-tives were Dr. Gibson, China; Dr. Larrs, Africa; Dr, Crumble, South Sea Islands: Prof. M. de Binney, France; Rev. Albert Gloat, Italy; Rev. J. Dudycha, Athens. The United States delegation included the 'ollowing: Dr. Barrel, New York; Pres. Warfield or Princeton; Dr. Roberts, Philadelphia; Gov. Hoch of South Carolina; justie Harbin of the supreme court; Gen. Prece, Yonkers. The conference is only deliberative.

from St. John the Baptist and Holy

Trinity Churches. Saturday's ceremony will be a most interesting one. The children will make their first Holy Communion, and His Lordship will deliver a sermon at the conclusion of confirmation.

for some time. But in most cases the dead are very much more alive than they were before they ceased to breathe, and usually, whenever they loved much, they are extremely anx-ious to comfort their sorrowing friends by assurances of their welfare and of their continued existence.

their continued existence. "That is the hypothesis. The bureau proposes to act upon it as follows: A directory of competent sensitives, a muster. roll of those whose eyes are opened, will be compiled after careful and continued investigation, test, and experiment. When any one who has lost a beloved friend or relative wish-es to ascertain whether or not he can communicate with him and applies to the bureau, he will be informed of the conditions under which alone such an attempt can be made. Should he as-

friends. Adjourned till Friday morning. Michael Duffy, who is weak minded, was arrested in Blackville by Deputy Sheriff Irving and brought to jail here for striking six year old Sturgeon boy on the head with a bottle, infligting an ugly wound. The boy is reported re covering. At the time of the striking only children were present.

More than nine out of every ten cases of rheumatism are
