"C. I. Hood & Co., Lowell, Mass.: 'Gentlemen—I feel that I cannot say enough in favor of Hood's Sarsaparilla. For five years I have been troubled with scrofula in my neck and throat. Several kinds of medicines which I tried did not do me any good, and when I commenced to take Hood's Sarsaparilla there were large bunches on my neck so sore that I could not bear the slightest touch. When I had taken one bottle of this medicine, the soreness had gone, and before I had finished the second bunches had entirely disappeared.' BLANCHETTE ATWOOD, Sangerville, Maine. 'C. I.
