### WEDDINGS.

Johnson-Belyea.

St. John's (stone) church was the scene of a brilliant society wedding at 4 o'clock yesterday afternoon when Walter Seely Johnson, of Messrs. Heneker, Duff and Johnston, barristers, Montreal, was united in marriage to Miss Marion Edith, daughter of James A. Belyea, K. C., of this city. The ceremony was performed by Rev. Gustav A. Kühring, assisted by Rev. George Johnson, of Montreal, father of the bridegroom, in the presence of about 60 invited guests and a large number of spectators. The church was prettily decorated for the occasion by friends of the bride, the prevailing colors being green and white. The bride was given away by her father, looked very charming in a gown of white satin trimmed with duchess lace and carried a bouquet of white bridal roses. The bride was attended by Miss Albertine Hogan who was gowned in green satin trimmed with white lace and carried a bouquet of pink roses. Little Misses Dor-

eon and Viola McAvity were flower girls. They wore dainty dresses and hats of pink and white and carried baskets of pink sweet peas. Orick D. MacCallum, of Montreal, was the groomsmen, and John C. Belyea and J. MacMillan Trueman were the ushers.

After the ceremony had been performed a reception was held at the residence of the bride's father, 67 Hazen street.

Mr. and Mrs. Johnston will leave on the Boston train for an extended wedding tour before returning to Montreal, where they will reside. A very large number of handsome gifts were received.

Rourke-Pearson.

Albert Sept. 28.—A very happy company of young people drove to the Methodist parsonage this morning when Rev. W. L. Kirby united in marriage Charles E. Rourke of North End St. John, with Miss Helena Lydia Pearson, of Harvey Bank. The young couple were unattended, but several friends and relations witnessed the ceremony. The bride was charmingly gowned in a navy blue tailored suit with hat to match. After the ceremony the young couple drove to the station and boarded the train for their future home in Victoria street, St. John. The bride will be much missed from the Methodist church, where she has sung alto for some time and was an active worker. She is a daughter of Mr. and Mrs. Wm. Pearson, Harvey Bank.

## ROSSI JURY DISAGREED AND WERE DISCHARGED

Report That Nine Stood for Murder and Three for Manslaughter After Night Spent in Consideration.

At 10 o'clock yesterday morning the jury in the Rossi murder case, filed into court again and announced through their foreman, William C. Magee, that they had not reached a verdict and were still hopelessly divided—nine for the murder and three for manslaughter.

In discharging the jury His Honor expressed his regret that the jurors had to spend an uncomfortable night. At the request of the attorney general, the prisoner was then remanded, and the court adjourned until next Thursday morning at 10 o'clock. The definite time was fixed for the commencement of the new trial.

The juryman sat up the whole night going over and over the evidence and discussing the various phases of the case, the most difficult part to decide being whether or not there was sufficient provocation for the killing to reduce the crime to manslaughter.

At one time during the night, it is said, the jury stood 7 for murder and 5 for manslaughter, and later, after some had altered their verdicts, the standing was, it is said, 8 for murder and 4 for manslaughter. One other changed his decision, making the final standing 9 for murder and 3 for manslaughter, but it was stated that these three had their minds firmly fixed their decision being unalterable and in fact one was quoted as saying, "If that man was hanged I would feel personally responsible."

## TENTH DISTRICT BAPTIST MEETING

Quarterly Meeting of Northern Counties Held at Grangeville — \$500 Appropriation for Denominational Work.

Newcastle, Sept. 28.—The quarterly meeting of the Tenth Baptist District, comprising Restigouche, Gloucester, Northumberland and Kent counties, was held at Grangeville yesterday, Rev. J. G. A. Belyea of Doaktown presiding. Rev. Dr. H. T. Cousins of Newcastle, clerk. First session opened at 11 a.m. Devotional exercises were conducted by Rev. Mr. Allaby, student pastor of Grangeville. The business session opened at 2:30 o'clock. Devotional exercises by the president and Rev. Dr. Phillips.

The president delivered a very encouraging and hopeful address, commending Grangeville congregation on their enthusiastic energy and progress.

Rev. G. W. Schurman of Campbellton sent regrets at his inability to attend, also Rev. F. N. Atkinson of Blackville.

There were delegates present from the following churches:— Newcastle—Rev. Dr. Cousins, pastor; A. J. Russell, clerk; Deacon and Mrs. James Lyons, Derby; A. Mitchell and the Misses O'Donnell.

Whitneyville and Lyttletown—Mrs. John Forsythe and Miss Agatha E. Forsythe.

Doaktown—Rev. J. G. A. Belyea. Grangeville—Licentiate Allaby, Mrs. O. S. Jones, clerk, and others.

In the absence of Rev. F. N. Atkinson the question of the church at Grey Rapids was held over till next meeting.

The assessment upon the district for denominational work was apportioned as follows:— Campbellton . . . \$200.00 Newcastle . . . 40.00 Lyttletown . . . 48.00 Whitneyville . . . 20.00 Grangeville . . . 20.00 Blackville . . . 40.00 Underhill . . . 20.00 Doaktown . . . 20.00 New Salem . . . 20.00 Bloomfield . . . 12.00

More attention to young people's leagues was urged by Dr. Cousins and others, who asked that more support be given to the column edited by Rev. W. H. Johnson in the "Maritime Baptist."

The next meeting was fixed for Newcastle on the fourth Thursday in June, 1911.

Rev. Dr. C. T. Phillips addressed the convention on behalf of the home mission board. If there were no home missions, said the doctor, there would be no foreign missions. He urged giving up to the point of self sacrifice.

The evening session was largely evangelistic, the speakers being Revs. Belyea, Phillips and Cousins.

The following resolution was adopted: "That this 10th District meeting in quarterly session assembled, desire to place upon record its profound sympathy with the sister church in Campbellton which has suffered so recently and seriously in the great fire, and we pledge ourselves to do all in our power to earnest prayer and practical help towards the restoration of the church to its former position of useful service for the Master; and that a copy of this resolution be forwarded to the Rev. G. W. Schurman, pastor."

The sessions were well attended and visiting delegates splendidly entertained. Collections, \$4.66.

## You'll Sleep More Soundly If You Keep Healthy With Dr. Morse's Indian Root Pills

The man or woman with a good appetite, sound digestion, and bowels and kidneys working right, is never troubled much with sleeplessness. It is when the bowels become constipated and the liver and kidneys sluggish that the trouble begins.

Lazy liver and constipated bowels quickly bring on biliousness, indigestion and sick headaches, making a sound, refreshing night's sleep impossible. Or the inactive kidneys allow the blood to become loaded with uric acid, which causes rheumatism, with all its sleep-destroying tortures.

Dr. Morse's Indian Root Pills, taken regularly, induce sweet and dreamless sleep by keeping all these organs active and regular. The headaches disappear, the digestion becomes good again, the blood is purified and perfect health returns.

Dr. Morse's Indian Root Pills have been a favorite household remedy in Canada for over half a century, and they are in daily use throughout the world. Being purely vegetable they are safe for young and old. Made by W. H. Comstock Co., Ltd., Brockville, Ont., and sold by all dealers at 25c. a box.

## MANCHESTER ROBERTSON ALLISON LTD

### CLOSING COTTON LETTER.

By direct private wires to J. C. Mackintosh & Co.

New York, Sept. 29.—Early cables were easier on the near months, but the foreign market recovered and accompanied by cables to the effect that the Manchester operatives had given in to the master spinners and that there would be no strike. Our market opened unchanged, but the early dullness was soon changed into activity and strength on the publication of a report by Messrs. A. Norden & Co., which estimated the condition of the crop at 65.4, against 70.8 last year, and the yield at 10,625,000, or only 100,000 bales in excess of the season just closed. This was followed by the National Spinners' figures of 66. A bullish government report on Monday seemed a foregone conclusion and a general readjustment of crop ideas in conformity with current reports seemed inevitable. While prevailing prices discounts a good deal the possibilities of further crop damage and a recovery company would be filed in a short val of the cotton goods trade give time.

the bull leaders a marked speculative advantage. The only bear argument at present is the growing bullish sentiment and the likelihood of the market becoming over-bought from time to time.

JUDSON & CO.

### CLOSING STOCK LETTER.

By direct private wires to J. C. Mackintosh & Co.

New York, Sept. 29.—Save for one or two spasms, the general market today was dull and very uninteresting, resembling the predecessors of a fortnight or more. The broad tendency was toward recovery, but the professionals and whatever public inquiry had been stimulated by the strength of the past week seemed to have gradually petered out. The feature of the session, however, was the weakness of Amn. Sugar Refg., caused by a concerted attack, that evidently was based on reports that a new government suit to dissolve the company would be filed in a short time.

All things in the created universe are recipients of the Divine Love and Wisdom of the Lord, not by continually but by contiguity.—Swedenborg.
