AROUND THE WORLD FAIR ON TONIGHT

Many Novel Features Planned for City Cornet Band Function, which Opens in St. Andrew's Rink.

Tonight will see the opening of the Around the World fair under the auspices of the City Cornet Band. The opening was to have taken place last week, but in order to complete the plans, with a view to making the fair the biggest and most attractive ever held in St. John, the original intention had to be changed, and the opening delayed. However, it is safe to predict when the doors are thrown open this evening at 8 o'clock, the public who attend will not regret that they waited a few days longer. The transformation that has taken place in St. Andrew's Rink during the past few days is marvelous. Where gloom and bareness reigned, now all is bright and attractive. Artistically designed and beautifully decorated booths have been placed in position, gay lighting and festoonings are everywhere in evidence, and the myriad of small lights of varied hues, wrinkle from amidst the profusion of multi-colored trimmings. The fair will have many attractive features, some of them already seen at events of the kind in the past, but there are many surprises in store for patrons. A departure this year will be the industrial exhibits that are being made, and which will, no doubt, attract considerable attention during the fair. Amusement has been stored up in quantity for patrons, and everything points to a grand success and record attendance figures.

OPEN DOOR POLICY IN PUBLIC HOSPITAL

Four Assistants in Medicine and Four in Surgery to be Appointed at Once by Commissioners.

At a meeting of the hospital commissioners yesterday, it was decided to appoint four additional assistants in medicine and four in surgery to the house staff. The commissioners will draw up rules and regulations for the guidance of these assistants at an early date. This action has been taken as a result of the open door policy which has been going on for some time among the medical men of the city. Dr. T. E. Lanney was asked last night about this action of the commissioners. He said that he had been elected to act as secretary of the open door policy, and he was responsible for the movement of an open door policy in the hospital. It would, however, be premature for him to express an opinion in the matter as it had not come before him yet in any way, nor had there been a meeting of those interested.

WOMEN'S COUNCIL HEARD AN INTERESTING REPORT

Miss Agnes R. Riddell, of Toronto, Addressed Members Yesterday, Telling of Meeting in Stockholm.

There was a representative meeting of the members of the women's council yesterday afternoon in the King's Daughters guild, when Miss Agnes R. Riddell of Toronto, delivered a very interesting account of the meeting of the executive of the International Council of Women held in Stockholm, Sweden, last month. Mrs. P. H. Bullock presided and after Miss Riddell's address, Mrs. R. C. Skinner told of the work of the council in Vancouver of which she has been made an honorary member. Mrs. Thomas Walker, Mrs. G. F. Mathew and Mrs. David McLellan followed, expressing their pleasure at listening to Miss Riddell's address and a hearty vote of thanks was accorded that lady as well as to Mrs. Corrington, president of the National Council of Women in Canada.

Miss Riddell arrived in Quebec on Sunday on the S. S. Hesperian. On her trip to Stockholm she also took occasion to visit the British Isles, as well as parts of Sweden, also Norway and Holland. The councils of women in Copenhagen and in Christiania, as well as in nearly every place visited, entertained the delegation most lavishly, said Miss Riddell. It being only an executive meeting, the business was naturally of a private nature. "But I may tell you that the International Council was augmented by two National Councils—COUNCILS in Serbia and Finland. Although Russia sent delegates they have no council in that country, because it is forbidden by the Russian government. Delegates were present from Russia, Finland, Norway, Sweden, Denmark, Holland, France, Serbia, Italy, Switzerland, Great Britain and Ireland, the United States, Australia and Canada. "Several resolutions were passed touching questions of international importance, which will come up at the convention in Rome in 1914. Before that there will be another meeting of the executive at The Hague, Holland, in 1913. At the international executive meeting Miss Riddell represented the president of the National Council of Women in Canada, Mrs. Torrington of Toronto, also the chairman of the financial committee, Mrs. Stanford has presented an account of her being the treasurer of the International Council.

Following the meeting tea was served by Miss Flanders and Miss Bullock. Miss Riddell left last evening for Halifax.

MISFORTUNE SEEMED TO FOLLOW HIM HERE

Man who was Burned Out in Campbellton Fire also a Loser in Blaze Last Night -- Little Damage.

Fire was discovered in the top story of the building at 14 Pond street at about half past eight o'clock last evening. An alarm was turned in and the firemen had some difficulty getting at the fire and had to break all the windows of the top story in the front of the building before they could effect an entrance. They managed, however, to extinguish the blaze with the chemical engine before it had gained much headway. The origin of the fire is unknown, but it is supposed that one of the lodgers who occupied the top floor dropped a lighted cigarette or cigar but on a bed and left his room without noticing what he had done. The house was owned by Mr. Coll and occupied by T. H. Lockhart, who runs the Depot restaurant on the ground floor and keeps lodgers on the two upper floors. The damage to house and furniture which was not extensive, is covered by insurance. Mr. Lockhart was doing business in Campbellton at the time of the fire there, and lost everything, having no insurance on either building or furniture. He only came to St. John last August.

TITLED ITALIAN TO HUNT IN PROVINCE

Conte-Marchetti, of Bologna, Arrived Yesterday, and will Tour Woods in Search of Big Game.

A well known Italian sportsman, Conte Giovanni Marchetti, of Bologna, arrived in the city yesterday, and will leave on Wednesday for Perch Lake on a hunting trip. The Conte has shot big game in Asia and Africa, but this is his first trip to Canada on a hunting expedition. Not long ago he followed the same route through Africa as that taken by the redoubtable Col. Roosevelt, and bagged many lions, elephants, hippopotami and such trifles. He has written a book recounting his adventures in quest of big game in Asia and Africa, the first edition of which has already been sold out. On his return to Italy he publishes getting out another edition of his book and incorporating in it an account of his experiences in the wilds of New Brunswick.

Conte Marchetti is the first Italian sportsman to come to New Brunswick for the purpose of shooting. He has been in communication with Douglas Clinch, secretary of the Provincial Guides' Association by letter and cable since August, and has made arrangements for spending about six weeks in the woods. He says that it is a very difficult matter to get information about the shooting in this province in Italy, and expresses the opinion that if the opportunities it offers sportsmen were better advertised many hunters from the continent would be induced to come here and try their luck. On his hunting trip he will be accompanied by Mr. Clinch and Guide Charles Raines, vice president of the Provincial Guides' Association. He has been successful and he is expected to obtain permission to shoot two moose, as he desires to make a presentation to the museum at Rome. Most of the hunting parties which have been operating in the Perch Lake district this season have been successful, and it is expected the Conte will have an opportunity of shooting a moose or two. After he has tried his luck here he will proceed to Newfoundland, where he will hunt for caribou.

NOTED PASTOR AT NORTON REVIVAL

Services Directed by Rev. P. C. Goodson, Commenced on Sunday Last, and are Proving Most Successful.

Norton, Oct. 9.—The village of Norton has been fortunate to secure the services of the Rev. P. C. Goodson in a revival movement which has held hold upon the whole community. The meetings commenced in full swing last Sabbath morning with all the churches taking active part. One great feature of the present revival is the large choir made up of the choirs of the different churches under the leadership of Rev. John Lennox.

Rev. P. C. Goodson has great personal magnetism, with burning enthusiastic spirit behind him, pouring forth the Gospel with heart-searching earnestness. He was at one time Co-pastor with Dr. Newell Dwight Hillis, of Brooklyn. In May, 1903, he went to St. Louis and became the pastor of the King's Highway Presbyterian church; there were but twelve active members and a beautiful stone chapel. In a little less than five years 550 members had been added. Mr. Goodson took part in the great Toronto revival held under the supervision of Dr. Wilbur Chapman, famed evangelist. There is no mistake, Goodson has captured the people of Norton. The large Temperance hall could scarcely accommodate the people. Mr. Goodson's meetings at Norton will continue throughout the month.

Miss Pauline Ring, daughter of J. W. Ring of the Post Office Department, left on the 12:40 train yesterday for Moncton to attend the funeral of her great-uncle, Andrew Davis, who died early Monday morning.
