### Who and What's What in the Picture World on the Stage--Favorites and What They and Do.

Italian very acceptably. Gloria's Romance this week finds Gloria in a dance hall where she soon finds out she should not be. A very tree fight ensues between Dr. Royce who tries to get her out and the habits of the place. They all are arrested, and behold Gloria's dignified father being also on the bench. It is an interesting episode.

Mistaken for Spies. It sounds incredible, but Eddie Lyons and Lee Moran were mistaken for spies while en route back to Universal City from the convention of Chicago, says the Dramatic Mirror. 'Tis said it took considerable telegraphing on the part of the comedians and the general passenger agent of the road before their alibis were proved.

Marsten joined them at Woodstock to continue with them on their trip. Mrs. John Swift and little son, of Fredericton, are the guests of Mr. and Mrs. D. Rordan.

"N. Brown," a story written by Thane M. Jones, judge of probate, appeared in the Saturday Evening Post last week, and was the subject of much favorable comment. A little daughter came toadden the home of Mr. and Mrs. Harry W. Lee on Sunday.

Word was received here on Tuesday of the birth of a son to Mr. and Mrs. Ernest Ross, of Cabano, Que. Mrs. Ross was formerly Miss Mary Sprague of this town.

field, were the guests of Mr. and Mrs. Eldon Fisher, Sunday.

Miss Violet Cogswell, of Medford, Mass., is the guest of Mr. and Mrs. William Blake.

A bogie match in which many ladies took part, was held on the golf links on Thursday. Mrs. A. B. Connell was the winner.

Mrs. Robert Newton who has been the guest of Mr. and Mrs. Chester MacDonald is visiting Fredericton friends.

Mr. and Mrs. R. A. Sinclair and son Murray, of St. John, who are on an auto trip through New Brunswick and Maine, visited Woodstock last week. They were the guests of Mr. and Mrs. Percy S. Marsten. Miss Violet

### OUT OF TOWN PRODUCTS

Living expenses spent for goods made by out of town producers.  
Total Loss.

### HOME PRODUCTS

\$100 spent for Home Products.  
Better Wages.  
Schools.  
Living Conditions.  
A more prosperous community.  
No Profit.

"MAKE YOUR LIVING EXPENSES AN INVESTMENT!"  
Make your living expense an investment by buying home products, and reap the benefits in a bigger, happier, more prosperous city. If you confine your purchases to goods made here, your condition will be materially bettered by increased activities all along the line.  
In favoring home products your money will buy as much as it would if spent for "imported" brands—if not more. Our producers can not afford to give you anything but the best—and the extra profit you receive cannot be measured in dollars and cents alone.  
The money you spend for goods manufactured here, stays here and continues to circulate here. Its effect is far reaching. It leaves a profit in the hands of everyone it reaches.  
Remember, that to a very large extent, our prosperity is dependent upon our commercial strength. Industries alone build up a city and our city needs the individual support of every citizen to show the growth, the progress and the large degree of prosperity we want it to attain.
