West Side Team  
Won First Game

The Courtenays Defeated the Y. M. C. I. Last Evening on Queen Square Diamond by Score of 7 to 2.

Due to some excellent stick handling on the part of the West Side aggregation and the good control of Pitcher Seely, who proved himself a slab artist of no mean ability, the Courtenays defeated the Y. M. C. I. baseball team on the new Queen Square diamond last night by the score of 7 to 2 in the six inning game.

The batteries were:  
Courtenays—Seely and Joyce.  
Y. M. C. I.—Lawlor and Killen.

Some very fine individual plays marked the game, which was keenly followed by a very good attendance.

Commissioner Thornton pitched the first ball and the game started with a snap and action which followed through the six.

The grounds had been rolled during the morning and were in good condition. A large back stop has been erected and proved quite serviceable during the game.

Four teams are now in the St. John League—Y. M. C. I., Courtenays, St. Peter's and Fairville.

Tonight's game will be between St. Peter's and Courtenays.

NEW BRUNSWICK DOGS AT  
MONTREAL SHOW LAST WEEK

Over Four Hundred Dogs from St. John to Vancouver Were Exhibited—Twelve New Brunswick Exhibitors Are Elated Over Their Success—Every Dog Came Home a Winner—Comments on the Winners.

Winners at Montreal Dog Show. In the Montreal Dog Show held last week something over four hundred dogs from Vancouver to St. John were exhibited and it is needless to say that the best specimens of their breeds were seen at this show. New Brunswick exhibitors, of whom there were twelve, have every reason to feel elated over their success, every dog coming home a prize winner.

In Pouters James Laidlaw's Princess Patricia, won 1st limit, 1st open and winners, and was also adjudged best pointer in the show, winning over Mr. E. Beauchamp's Champion Perduca. Gerald G. McCarthy's English setter, Tess May Fly, by Champion Glenview Major Larry and J. C. Hanna's Montrose Shamus O'Brien II, both well known winners throughout Canada and the United States.

Airedales brought out the largest entry list in the show, no less than fifty being exhibited, all high class specimens. The international champion, King Nobler's Double, owned by Norman McKenzie of Regina, finally captured the winners' ribbon after a hard struggle with Rosecroft Jersey Light.

It is interesting to note that Mr. W. C. McKay is the proud possessor of a litter of puppies sired by Jersey Lightning. In the hottest of competitive colonial May Picnic, owned by John McSorley of Fredericton, went to the top in limit and 3rd open, and 3rd Canadian bred, the dogs placed over him being E. C. Howard's Double, owned by Norman McKenzie of Regina, finally captured the winners' ribbon after a hard struggle with Rosecroft Jersey Light.

Cocker spaniels furnished one of the best classes in the show, there being twenty-four entries. Four of these were from St. John. Mr. Bliss A. Smith's parti-color dog, Sir Nangis

by Overcross Goldspeak ex Nangis Liberty Bell, went right through all classes in which he was shown, winning 1st junior (any color), 1st limit, 1st open and winners. Among the dogs defeated by Sir Nangis were Midkiff Volunteer, Centre Star and Doctor M. All well known winners.

Mr. E. J. Wallace's Champion Drumclaph Baronet won 2nd open and reserve winners, being beaten only by Sir Nangis.

Patricia of St. John was placed 1st open and winners, completing her Canadian championship. This bitch was bred by R. T. Holcomb of Findlay, Ohio, and was imported to Canada as a puppy by Mr. B. A. Smith, as was also Sir Nangis. Patricia is now owned by Lieut. L. McC. Ritchie, and though shown at Toronto, London, Montreal and St. John has had an interrupted winning career.

Miss Piffles, owned by James C. Pollock of St. John, was awarded the second ribbon in novice class. Of the four winners' ribbons awarded to cocker spaniels two came to St. John, one went to Montreal and one to Victoria.

Two St. John collies, J. W. Cameron's Orms Kirk Squire and Edw. McGuire's Campbell's Stylish showed up well, the former winning second limit and third open, while Campbell's Stylish was placed first limit, second open and second Canadian bred.

Competition in this breed was exceptionally keen, such well known dogs as Verdun Ballantyne, Champion Knockkay Joe, and Quarrybrae Collie being defeated.

Rockley Silent Witness, the English bulldog owned by Wallace M. Sheehan of Dalhousie, won 1st limit and 1st Canadian bred.

Geo. V. Parker's French bulldog, Donella, a daughter of Champion Nellie Gann, won 1st novice, 1st limit, 1st open and winners.

Saint John fanciers feel disappointed that Mr. James Lattimer's fine English setter Britannia's Pride, reached Montreal too late for the judging. This was no fault of Mr. Lattimer but was due to a mix-up in expressing.

No Boxing on  
Dempsey's Program

Decision Reached Last Night by Challenger's Manager and Chief Trainer—Frightened Dempsey Might go Stale With Glove Work.

Toledo, O., May 28.—There will be no boxing on the training programme for Jack Dempsey next week, as a result of a decision reached tonight by Manager Jack Kearns and Jimmy DeForest, chief trainer in the challenger's camp. DeForest decided to prohibit work with the gloves because of the danger of Dempsey going stale. The challenger may drop all strenuous work for the week if the weather continues warm.

Dempsey, his trainers say, is so near being in top condition at present that he could enter the ring tomorrow in practically as good physical shape as he will be on the fourth of July. He increased his ring work to eight rounds today, and all but knocked out One Round Davis of Buffalo, N. Y., heavyweight. Davis was sent reeling against the ropes and trainer DeForest promptly called time. Bill Tate, the negro heavyweight, received another terrific punching for four rounds, and Dempsey ripped into Terry Keller for the final two rounds of the workout.

Tom Jones, one of the prominent characters of the boxing world, and Willard's manager for six and a half years, arrived here today to arrange for special trains to bring fight delegations from Columbus, Ohio. He is associated with Joe Tinker, president of the Columbus baseball club, in the venture.

Jones still retains his admiration for Willard's ring prowess despite his split with the champion after piloting him to victory over Jack Johnson at Havana. Jones said that, in his opinion, the only chance Dempsey has to win is to land a knockout.

"I am not taking any credit away from Dempsey," Jones says, "but Willard is too big. With his tremendous size and great lightning power, a knowledge of boxing that will surprise his enemies and the ability to take punishment, if compelled to, he presents a battler that in my judgment cannot be penetrated."

Jones revealed that Willard is forty years old, which caused some surprise among the ring sharps, but declared that Willard did not begin boxing until he was thirty-two years of age and because of his late athletic development had not lost any of his fighting stamina. He said that when he reached a settlement with the champion five years ago Willard appeared to be in condition for a contest ten days later. He also said that Willard had trained secretly in a gymnasium at his home in Chicago, and Lawrence, Kansas.

**Many Lives Saved by Sanitary Precautions**  
Sanitation is no longer looked upon as a fad. Gradually the public have become educated to the necessity of sanitary methods being followed in all things.

It is a poor housekeeper indeed who does not keep "Sanitation" as a watchword in her household. True, the trials of the housewife are many, and there seems little time to take precautionary methods that somehow seem a little useless, but after all they are worth while.

In the bathroom, perhaps more than in any other part of the house, the greatest care should be taken to keep the fixtures in a sanitary and spotless condition. Snowflake Ammonia dissolved in boiling water and used freely will prove just what is needed to cut the grease and soap lines that accumulate in the bath tub and wash basin. Chloride of lime added to a little stronger solution of Snowflake and water will remove the most obstinate stains from the toilet bowl. After that the Snowflake Ammonia solution is sufficient to keep the whole bathroom white and sanitary. Snowflake may be obtained from all grocers.—Adv.
