to the House to day. Mackellar will introduce a resolution authorizing School Inspectors to INSPECT MECHANICS' INSTITUTES.

A despatch from Manitoba says the following resolution in relation to the SCOTT MURDER RESOLUTION recently adopted by the Ontario Legis-

lature, was proposed in the legislature by the Attorney General :--Resolved, That this House, having in

its reply to His Excellency's speech at the commencement of the present Session, pronounced its cordial approval of the policy pursued in reference to troubles which preceded our Union with Canada, regret

to observe that the Legislative Assembly of another Province should have passed a resolution criticising and condemning the policy; that under the responsible institutions conferred

upon us we claim the right to manage our own affairs, the Government of this Prov-Never at rest; Small, but how dear to us, i ice being responsible to our own Assembly God knoweth best. and people and to them alone; and that so -From " Poems," by Matthias Barr. 1 n; as the action of the Government is in
