

THE BEST ON EARTH

THE ABOVE CUT REPRESENTS

Burns' Patent Spring Bed.

It shows the head of the Bed raised to a suitable position for the occupant to sit up, which is the best thing in the world for those who are suffering from Asthma, Heart Disease, or anything that would make it uncomfortable to lie in a horizontal position, the mattress always resting on a smooth, even surface of springs.

The Springs are made from the best Bessemer Steel that I can get. The workmanship is perfect, and our patent on fastening the springs both at top and bottom is far superior to any ever before invented, making it most elastic, soft, noiseless, clean, durable and bug-proof in the market, east or west, yielding only to the even pressure of the body—there being no hard places and no rolling to the centre or tipping—being in fact the bed that makes the nearest approach to perfection.

FEATHERS CLEANED.

Feathers need cleaning as much as your bed-clothes, floor, or any part of the house, and I can remove all dirt and smell caused by children soiling them, sickness, death, or any cause whatever. It becomes the duty of every housekeeper, to have them thoroughly renovated. There is no one can give as good satisfaction for the money as I can. Send a postal card directed to me and I will call and give you prices and full particulars.
