LOVETIDE.

Chiselled cups of fairest flowers
Through the fields are blossoming;
Summer splendor bathes the hours
In a rosy coloring.
Days are sweet when love is turning
Things of earth to brightest gold;
Days are sweet when souls are yearning
Heart to heart to fold and hold.

Where the stream goes leaping by,
Lisping ripples kiss each shore;
Hark, the willows softly sigh
To the waters they hang o'er.
Youth and maiden half forget—
Scarcely heed the world without;
Hands by tender hands are met;
Lips are pressed by lips devout.

Youth and maiden half forget—Scarcely heed the world without; Hands by tender hands are met; Lips are pressed by lips devout.

Oh, the paradise of pleasure, Whither souls ascend in love! Mingling rapture without measure, As they soar to heaven above. Stay, sweet moments, life is fleeter Than the streamlet rushing by: Stay, sweet moments; love is sweeter Than all earth-born acstacy.
