### What Soldiers Say About the Y.M.C.A.

IA-COL. W. P. Purney, Dominion President, Great War Veterans' Association, Sydney, N.S., Jan. 23, 1919.

"There is no home of contention between the G.W.V.A. and the Y.M.C.A. The Y.M.C.A. has done a work that no other institution could or would do. Speaking as president of the organization, and for our members, I wish the Y.M.C.A. God-speed in their splendid work."

Philip Gibbs, War Correspondent, London Chronicle.

"I want to pay a very big tribute, my warmest tribute to the work of the Y.M.C.A. Very quickly after each battle these men of the Y.M.C.A. brought out their tents and equipment, by means of which they could give hot cocoa, coffee and cigarettes to these men in the line, and words cannot say what a cup of coffee meant to men plastered in white clay like those I have described. I remember seeing and marvelling at the rapidity with which the Y.M.C.A. got up their tents and equipment under Vimy Ridge, within a few hours of the capture of that place."

Major General Sir David Watson, Quebec, P.Q., Commanding Officer, 4th Canadian Division.

"The Y.M.C.A. over here is doing a most noble work, and I am proud of the work that is being carried out by the Canadian Y.M.C.A."

No. 156823, Pte. F. Fricman, 51st Battalion.

"On behalf of the boys who travelled from Halifax I really take pleasure in thanking you for the splendid work done by your representative on the train. Judging by unfavorable reports, I, while in England, had been prepared for a neglected welcome of returned soldiers. But I am glad to say they are more than well looked after on the road to their homes, and in Halifax."

T. A. Hector, Regina.

"I would like to take this opportunity before finally leaving the Military Service of thanking you and the Y.M.C.A. organization, first for the many good things I enjoyed in France, and secondly for the cheerful, helpful work done by the journey homeward. I voice the appreciation of many others."

Signaller LD. Smith, Belmont, Manitoba, 43rd Battalion.

"Let no man now say anything against the Y.M.C.A. to me, or he will get what for if I catch him. It is in France we found the great need of the Y.M.C.A., and, believe me, it is a Godsend to the boys in the trenches."

Driver E. L. Milton, Vancouver, B.C., 45th Battery.

"The prices charged by the Y.M.C.A. canteens are rivalled by no other canteens, and more than that they sell Canadian goods—Canadian cigarettes, Canadian maple sugar, milk, fruit, and cereals. I cannot see anything wrong with the Y.M.C.A., and if the people at home knew its real value to the boys at the front they would give it all the support it needs."

Corporal G. Waterman, Vancouver, B.C.

"I think that this idea of a representative of the Y.M.C.A. on the homecoming troop trains is an excellent one, and I hope that it will be continued until the last Canadian comes home."
