THE ONLY WAY

To know whether each part of your business is profitable, and that some branches are not eating into the profits of others, is to have a system of estimating and cost accounting which keeps each department separate and yet works together as a harmonious whole. You can have such a system and yet reduce your office expenses. All you have to do is to introduce

The Builders' Auxiliary
into your business. This system is accurate, simple and complete. Every contract is kept as a separate unit. Labor and material are separated in every branch, and each is charged up in an extremely simple manner to its own part of the contract.

PRICE, \$5.00 PER SET.
