Public invited to share research experience. Members of the public are invited to experience the diverse, fascinating research conducted by graduate students at the University of New Brunswick, April 4 & 5.

Some 23 students across the disciplines at UNB will give 20-minute presentations aimed at a general audience at the Fifth Annual Graduate Student Association

Conference on Student Research. Activities start at 7pm in the Wu Conference Centre on Friday, April 4, with opening ceremonies featuring a keynote address by Bill Paterson, director of UNB's Centre for Research and Development Services. Papers run from 8pm to 9:20 p.m. on Friday and from 9 a.m. to noon and 1-5 p.m. on Saturday. Topics range from salmon farming to an examination of the role of religious networks in the lives of elderly evangelical widows and from aboriginal self-government to the distribution of midgets as indicators of past climate change in Siberia. There are also samples of creative writing.

For more information or a schedule, contact conference organizer Albert Cross in UNB's physics department at 453-4723 or the GSA office at 453-4700 or e-mail at gsa@unb.ca.

Help a young boy reach his dream by sending him a business card. A letter requesting that a business card be sent to Craig Shergold at the address listed below was received.

Craig is seven years old and has a brain tumor. He has very little time to live.

Craig turned in a "Wish" to the Children's Make a Wish Foundation and expressed his desire to have an entry in the Guinness Book of World Records for the largest collection of business cards.

Hit and Run - of a dark grey 1987 Dodge Aries D-car between 9:30 - 10:30am on Wednesday, March 12 in the west section of the SUB parking lot behind the Harriet Irving Library. There is reason to suspect that the car was a dark colored late model Ford Mustang that would have damage to the passenger side. The suspects car is

missing the last three script letters of the word Mustang "ang" on the passenger side name plate or missing the side name plate or missing the side plate entirely. There is likely an individual that saw the hit and run occur, if you are this witness please give me a call. There is a (\$50) reward offered to any individual that can find/identify the correct license plate number or identify the individual(s) please call me at 454-5334, Campus Security at 453-4830, or the City Police at 452-9701.LC475
