Sy Me

Dear Mrs. McLaughlin:

I have your letter of 29th. Am afraid I could not be of any real value in helping you with the local Welfare Bureau at Ottawa. I do not know who they are. Possibly if I did I might be of some little use though it is not likely I would be. If I can learn of any through whom I could help you, I will gladly do so.

Yours very truly,

Mrs. Alice D. McLaughlin,  
162 Cartier St.,  
Ottawa, Ont.
