Ottawa, April 23rd, 1934

James Wynne,
Missanabic, Ont.

Sir:-

In reply to your letter I am to-day forwarding to you under separate cover a cheque for \$4.00 for your Treaty 9 annuity for the year 1934. I am placing your wife and two children on the payroll on a number of their own. I am also giving Peter a number of his own and also Dorothy a number of her own. While Peter and Dorothy are in the school their money will be held for them here and will not be paid to you as you are not supporting them. I have been put to much inconvenience in checking up your family as you well know the cause but now that the change has been made I hope there will be no further trouble.

Yours truly,

Indian Affairs. (RG 10, Volume 6890, file 486/28-3 pt.11)
