

-2-

transferred later on when the Archives Building is completed. There are many of these that would doubtless be of value to you but they would require to be copied and this would involve considerable time and expense.

If you should decide that it is advisable to have this work undertaken it would be well for someone from your Department to look over the documents and indicate the number of copies are required.

Yours faithfully,

*Lawrence*  
Deputy Superintendent General  
of Indian Affairs.

Indian Affairs, Letterbook,  
20 October 1904 - 16 November 1904, (R.G. 10, Volume 5077)
