

August 27th, 1914.

Dear Mr. Fleetham -

I have your communication of the 10th instant with enclosures relative to the road through the pasture on the Sarcee Indian Reserve.

I do not see the necessity for the construction of this road and to avoid further trouble it would be well to close this trail to the public.

I am returning as requested your correspondence of which I have kept copies.

Yours very truly,

Duncan Chisholm
Deputy Superintendent General.

T. J. Fleetham, Esqr.,
