The Business Office Edition

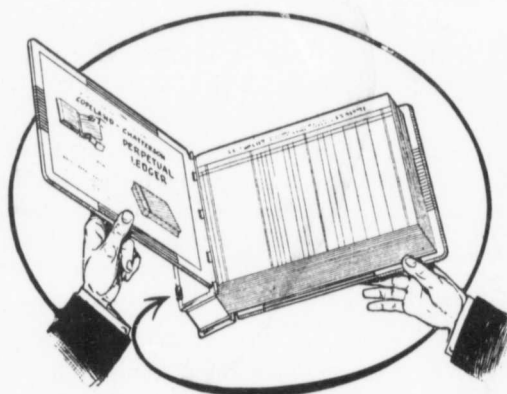

DEVOTED TO SYSTEMS AND THE PROBLEMS AND NEEDS OF THE BUSINESS OFFICE

Vol. 57. No. 18.

TORONTO, DECEMBER 11, 1908.

New Series—Vol. 1. No. 14.

Exclusive Loose Leaf Goods

The Copeland - Chatterson - Crain Perpetual Ledger has individual features possessed by no other—the mechanism of the lock, and the fact that it can be sealed, puts it in a class by itself.

Notice, too, the new rubber rolling device. It protects the desk top and permits easy operation of the ledger.

Systems for all kinds of business concerns — special rulings and binders manufactured for particular lines of Financial and other similar institutions.

Perpetual Ledgers Trial Balance System Legal Systems System for Banks
Hotel Systems Retail Systems Holders for all descriptions of Loose-leaf forms
or Magazines. Patent Seal and Lock Ledgers, etc.

It doesn't matter what business you are engaged in. Write to us and you'll find us prepared with a list of good suggestions in accounting.

COPELAND - CHATTERSON - CRAIN, Ltd.
