

HAVE YOU A BAD LEG

With Wounds that discharge or otherwise, perhaps surrounded with inflammation and swollen that when you press your finger on the inflamed part it leaves the impression? If so, under the skin you have poison that defies all the remedies you have tried, which, if not extracted, you never can recover, but go on suffering till death releases you. Perhaps your knees are swollen, the joints being ulcerated, the same with the ankles, round which the skin may be discolored, or there may be wounds; the disease, if allowed to continue, will deprive you of the power to walk. You may have attended various hospitals and had medical advice and been told your case is hopeless, or advised to submit to amputation; but do not, for I can cure you. I don't say perhaps, but I will. Because others have failed, it is no reason I should. Send at once to the Drug Stores for ALBERTS' Grasshopper Ointment and Pills, which is a certain remedy for the cure of Bad Legs, Housemaids' Kneecaps, Ulcerated Joints, Carbuncles, Poisoned Hands, Abscesses, Corns and Bunions.
