Buchanan Fence Co., Smithville, Ohio.
I have had 200 rods of fence built, and re-
ceived the congratulations of stockmen and
others, saying that it is the best wire fence
they ever saw. I have just closed a contract
to have four miles put up before the middle of
April next. Besides being a good, durable
fence, it is the cheapest fence ever built.

J. M. STOW, M. D., MANAGER,

AGRICULTURAL COLLEGE, MICH., Nov. 24, 1893.
J. W. Buchanan, Smithville, Ohio.

DEAR SIR:—We are very much pleased with
the Buchanan Fence. Its efficiency and low
cost cannot fail to commend it to all stock far-
mers. We are preparing to build more next
year. Your fence combines more good quali-
ties with fewer bad ones, than any fence with
which I am acquainted. I am very truly
yours,
F. B. MUMFORD.

ANSWERS TO CORRESPONDENTS.

FARMER.—Yes, South Dakota furnishes an
excellent field for diversified farming. Wheat,
Corn, Barley and Flax are produced in abun-
dant quantities and find a ready market at
good prices, while the cost of production is
much less than in the Eastern States. Stock
raising and wool growing have become suc-
cessful industries in South Dakota, where
thousands of acres of the finest land in the
United States can be secured at reason-
able figures and upon long time for deferred pay-
ments. Further information will be cheerfully
furnished free of expense by addressing A.
