**OUR NEW AMERICAN LEVER WATCH!**

After months of labor and experiment, we have at last brought to perfection a NEW WATCH. It is a Key Winding Watch with the celebrated Anchor Escapement, Expansion Balance, Fully Jeweled. They are made of the best material, and in the very best manner—as to insure good time-keeping qualities. The Cases are made of our Celebrated Composition metal known as Aluminum Gold. This metal has a sufficient amount of gold in the composition to give it a watch-genuine gold appearance. Indeed it cannot be told from a genuine Gold Watch except by the best judges, as the metal stands the acid test as well as pure gold. The cases are finely engraved or engine turned and are massive and strong and very handsome making it just the watch for Railroad men, Mechanics and all laboring men who require a good strong watch and an accurate time-keeper. For trading and special purposes, it is superior to any watch ever before offered. They can be sold readily for \$15 and \$20 each, and traded so as to realize double those amounts. Farmers as well as Agents can handle these watches to advantage as they can be readily exchanged for stock of goods. We send the watch free by registered mail, on receipt of \$3.00. Or we will send it C. O. D. on receipt of \$1.00 on account; the balance can be paid at the express office. We also have very fine Aluminum Gold Chains at \$1.00 each. Beautiful Medallion Charms 50 cents. We have hundreds of testimonials, but have room for only two.

Hot Springs, Ark. June 24, 1888.  
WORLD MANUFACTURING CO. Gents.—The New American Aluminum Gold Watch I ordered of you some time ago was duly received, and I am so well pleased with it that I enclose seven Dollars, P. O. order, on account, for which please forward by express C. O. D. for balance, three more of the same style with chains to match. Respectfully, Carleton Taylor.

Laverworth, Kan., Aug. 7th, 1888.  
WORLD MANUFACTURING CO. Gents.—The Aluminum Gold American Lever Watch purchased from your firm has proved a good time-keeper, and gives perfect satisfaction. Enclosed find cash for two more, same style. Yours, G. P. ECKERT.

Send all orders to WORLD MANUFACTURING CO., 22 Nassau Street, New York.

It is seldom that we meet with an article that so fully corresponds with its advertised good qualities as does the New American Lever Watch. It has the advantage of being made of that precious metal Aluminum Gold; its works are of the best make, and the general style of the case rank it with the best Watches made anywhere. We recommend it to our readers as a Watch that will give entire satisfaction.
