Poisons.

To absorb and expel those deadly secretions and at the same time regulate, stimulate and build up the weak parts until the whole organism is raised to highest health, has puzzled the greatest minds, but nature asserts her power. "Nothing in existence is equal to ST. LEON'S IODINE WATER," says N. Dorval, of Montreal. "It cured me after five long years of suffering from kidney and liver trouble, blood poisoning, etc. It is the Conviction of all who Try ST. LEON'S IODINE WATER, Wisely and Well."
