

Grain Growers!

Have you Shipped your Grain yet?

THEN WHY NOT SHIP TO YOUR OWN COMPANY?

Take No Chances

Your grain is practically the only asset you have from your year's labor. You can't afford to take any chances with it. Stay with the crowd and don't try experiments. Over TEN THOUSAND FARM-

ERS have consigned their grain to us this season and all are SATISFIED. The confidence the farmers are placing in THEIR OWN COMPANY is shown by the fact that we have handled so far this season about SIXTEEN MILLION BUSHELS; one million bushels more than double what we handled all last year.

The Highest Prices and Your Interests Protected

Your Company is to-day the largest Company of its kind in Canada. The volume of trade we are handling enables us to sell in large lots, and thus to secure the highest possible prices; prices often considerably above the market quotations of the day. We have our CLAIMS DEPARTMENT to look after all trouble connected with the shipment of your grain, which you may have with the Railway Company or other Concerns in question. We have our own DUPLICATE SAMPLING AND GRADING DEPARTMENT to check the Government's grading of your car, and thus insure that you get every cent that is yours on the grade. Besides, when you ship to YOUR OWN COMPANY, you take no risk. We are all Grain Growers and our interests are your interests. We all have grain to sell and we want it marketed so we can get our own out of it. That is just what you want, so come in and share the safeguards that have been provided to protect your interests.

Don't Forget The Future

Don't be contented with the present. Think of the future. You know the farmer has got from \$25.00 to \$50.00 a car more for every car of grain shipped this year, than he could have got four or five years ago before this Company started. This is what has been done, but it is only a promise of what can be done if all the farmers will support their own Company in shipping their grain and taking Stock.

Write us for shipping bills and instructions. We are always pleased to give you any information you require concerning the markets or the grain trade.

When in the City, don't fail to call at our offices, 7th Floor, Keewayden Block, Portage Avenue East.

This is YOUR COMPANY. We want you to make use of it.
