HOT AIR FURNACE

PUT YOUR FURNACE IN ORDER
It is the very height of foolishness to delay putting the Plumbing in order. Hot water, furnace, boiler and bath room pipes should all be examined and the defective parts replaced before cold weather commences. We have the necessary skill to do it. Let us FIGURE WITH YOU our bill will be surprisingly low. The best material is used and only skilled workmen employed.

CANNING

October 15th.—The Summer is something of the past and Autumn opens up before us.

Miss Annie Eaton has been visiting in Truro and vicinity.
Captain and Mrs. Henry Potter were "at home" between the hours of seven and ten on Thursday evening to a number of friends. It was a pleasant occasion. The rooms were prettily decorated even the piazza being brightly adorned with colored lanterns. Mrs. Solomon of Kentville, and Mrs. Grocott of Revere, Mass., sisters of Mrs. Potter, received with her.

The Banquet held for Sir Frederick Borden was largely attended. We regret that beyond mentioning the pretty decorations of the rink and the nice appointments of the tables, we can have no word to say in praise of the affair.

We wonder how the Law and Order League is progressing.

Miss Hattie Newcombe who has been visiting her parents, Mr. and Mrs. John Newcombe at Habitant, during the summer, has returned to the States. Our kindly wishes follow her.

Mr. I. B. Ellis of Revere, Mass., who was here attending the marriage of his brother, Mr. Alfred Ellis and Miss Edith Hennigar, has returned to his home.

Miss Lloyd of Kentville, was a guest at the parsonage recently.

Dr. John Miller has returned from his trip to Boston leaving his sister, Mrs. Blenkhorn, who has already received some benefit from the change of climate, still in the States.

The office of Drs. Miller and Harris is nearing completion and will be a very neat little structure. We believe the Doctors intend to procure some new medical machinery when they are settled in their new office, such as the X rays, etc. This will be a fine thing for the inhabitants of Kings County.

Mrs. Elizabeth Gaetz is visiting her mother, Mrs. Hanlan, in East Port Medway.

Mrs. R. W. Kinsman has been visiting Mrs. Wm. Tupper of Bear River.

We are sorry to report the serious illness of Miss Beatrice Dickie who has Typhoid Fever. We trust we will soon learn of her recovery.

Rev. I. A. Corbett has been conducting special services at Scott's Bay during the past week.

Mrs. Hensley and family have been visiting in Windsor and Halifax.

KINGSPORT

The Congregationalist Church at Kingsport has been without a minister for some time. The Rev. D. W. Purden of the Chetogue Church Yarmouth County, has officiated in the pulpit here for the last two Sundays and it is expected that he will accept a call from the Kingsport Church and become its pastor very soon.

Mr. George Newcombe has sold his place, the former Samuel Bigelow farm, to a party in Halifax, who will take possession soon. Mr. Newcombe has purchased the Daatel Cox place, into which he will at once move.

Conductor "Gus" Dickie has been laid up in the house the past week. He has been attended by Dr. Jacques.

Mr. J. A. Webb has a sail makers loft at his place, where he makes sails awnings, hammocks, tents and everything that is made out of canvas. He has been very busy this summer, and the outlook for him appears good.

Mr. Ephram Hillz has gone to New Ross and vicinity for a few days shooting.

This evening the members and congregation of the Berwick Baptist church intend holding a reception in the church vestry to welcome their new pastor, Rev. L. D. Morse and wife.
