FOR THE COOLER WEATHER.

Amongst others we have, we wish to mention here

### Men's Fleece Lined Underwear,

in a superior quality.

Price now only 45c. garment.

But while you may be considering your pocket, in the long run you will find you will have more money by considering your health and buying

### Wool Underwear,

STANFIELD or NU-KNIT.

We stock both of them, suits to suit everybody.

Then we are at the present moment offering a Special Lot of

### Men's Shetland Lamb's Wool Drawers.

And as regards Underwear you can get nothing better. Owing to the practical impossibility of getting Shirts to match these this year, and if so at impossible prices, we are offering this lot of Drawers at 25 per cent. under last year's low prices.

### Gas the Beneficent Spirit.

The nightly hot bath is the children's joy, and a pleasure to their nurse also, provided that its preliminaries do not involve wordy warfare with an indignant cook who requires the kitchen fire for her own purposes. All such trouble is obviated by the installation of a gas water-heater, which solves the hot water problem once for all.

It is as great a boon to the master of the house who wants to shave in a hurry as to the hockey-playing daughter who comes in tired and muddy, or to the nurse whose baby charge shows signs of a threatened chill. Such symptoms often yield before the simple remedies of an immediate hot bath and a night passed in a room well warmed and at the same time ventilated by a gas fire. Where gas is the family friend, there health, peace and contentment should reign supreme.
