AFTER A FIRE
The first question asked, HOW MUCH INSURANCE? NONE. Poor beggar, ruined for life. You have heard it. It is no use looking for sympathy for it is only found in the Dictionary. Are you content to take the risk of losing your life's savings for the sake of a small sum of money payable yearly? Average one dollar a month for \$1,000.00. Is it worth it? We represent **THE CONTINENTAL INSURANCE CO. of New York.** Assets \$40,857,877.57. A particularly strong Fire Company. Other companies talk Service—we GIVE Service. For full particulars consult immediately
FRED. J. ROIL & CO., Agents,
Smallwood Bldg. Duckworth Street.

COMMON SENSE
Good judgment, loyalty to the best interests of Newfoundland has characterized the 44 years' service of the Telegram. They showed the same qualities when they decided to erect the Telegram Building of Pelly's Brick. Time has proved the wisdom of their selection of building material, and the fierce storms that have swept up from the Arctic regions only prove the indestructibility of Pelly's No. 1 Hard Brick.
