

SPOILT! NOT LIKELY.

You never have your films or prints spoilt at Tooton's. There is no store in town that has such up-to-the-minute apparatus for Developing and Printing.

The recently installed new plant for developing prevents any defective negatives, and the printing from negatives is only carried out by thoroughly proficient workers.

To get your films satisfactorily developed—perfect prints from the negatives, and promptness, you'll find it best to go to the Kodak Store.

LOCAL ITEMS.

Miss Bartlett, of Brigus, Miss Rabbits, Mrs. Mews, and Master Carman Mews, of St. John's, came to us on Sunday night's express. They are registered at the Garland, and are enjoying rural Trinity.

The extensive premises that was required for the trade in Trinity during the days of Lester, Garland and Brookings, and now owned by Ryan Brothers, is proving to be unnecessarily large and too expensive to keep up, in carrying on the restricted business of the present day, and plans are being carried out to concentrate equipment. Hence, whilst some of the buildings that have either gone to decay, or ceased to be necessary, are being removed; others have been doubled-up and made conveniently to serve a double purpose. The old building familiar to us as the coal store downstairs, and the Joiners' Loft upstairs, has been discontinued as such and probably will be removed. The old oil-stage, no longer necessary as such has been remodeled and attached to the north side of the coal-store, and will be used as a coal store; thus one wharf instead of two will be required for the unloading of salt and coal. The old "skin-tore" has been repaired and will serve the purposes of the old "skin-store" has been repaired. Shop. The Salt Store has been re-shingled, and will continue to be used as it was in the beginning. The old "Run-stage" of Garland's Day is now used as an oil stage. A long, narrow window, filled with many 2 x 10 panes of glass in the west side of the old skin-store—though not familiar to the younger generation, was, in my boyhood days, a part of the large east window of old St. Paul's Church. Sic transit.

Miss Taylor and her brother are enjoying Trinity, and will, we believe,

return to duties with a fine stock of renewed health, for which we are glad. We thoroughly enjoyed their company.

Mr. Thomas Maybee of Grand Falls is spending his annual holiday in the home town of Trinity. Glad to see him.

A wet day, when visitors have to stay indoors, should deepen their sympathy for the shut-ins of five days.

Mr. Gillingham of the A.N.D. Co., registered at the Garland on Wednesday last, and went North by the Fortia.

We are sorry to hear of Mr. Walter Clouston being in the Hospital at St. John's with a dislocated shoulder. We have pleasant memories of climbing Gun Hill, the hills of Trinity South, and jumping from rock to rock in Trotty Brook, and we will do it again some day!

We are sorry to learn that Mrs. Benedict has been compelled by unforeseen circumstances, to cancel her proposed trip to Trinity. Her visits in the past have been a source of mental pleasure to her and to us. Come when you can. Always welcome.

Mr. Eriksen, with his usual kindness to others, took Mr. Granger and Mr. Hussey for a delightful motor drive to English Harbor last week. Unable as they are to go far-a-field, owing to the effects of paralysis, it was a great pleasure to them to be able to visit these parts of the country, that were so easy of access, and so familiar to them in the days of their health and activities. Truly, of such an act of kindness it may be said: "You did it unto Me."

1830—Married in the Church at Ireland's eye, David Kelly, of Portadown, County of Armagh, Ireland, and Sarah Hodder of Ireland's Eye. Witnesses: James Toop, Nathaniel Wiseman, Mary Phillips, and Sarah Miller.

Mrs. Eriksen and Mrs. Alec Mews will leave for Windsor, N.S., the first week in September, accompanied by Mrs. Eriksen's daughter, Miss Phyllis, who will enter "Edgely," the C. of E. School for girls. Master Willie Gent returns to Windsor at the same time, to enter upon his second year at King's Collegiate School there. Mrs. Gent will be one of the party as far as St. John's, where she will spend a few weeks. After leaving Windsor, Mrs. Eriksen and Mrs. Mews will visit New York and other points of interest. Such a trip is full of delightful scenes, and we wish the party the fullest enjoyment of it all. The privilege of enrollment at the King's Collegiate School, or the Church School for Girls at Windsor, N.S., is one for which any boy or girl should be very appreciative.

Mr. Gus Parsons is spending a holiday at Trinity. Mr. Parsons and children have been here for some time. Glad to have them with us.

Mr. and Mrs. Mark Chaplin and Mrs. W. and Miss Clouston came by the Fortia and are registered at the Garland. We will be just as good as we can be to them.

Mr. and Mrs. E. Malmgren of St. John's came by the Fortia and are guests at the "Anchorage." Glad to see them.

Mr. Somerton is giving his poor broken rib every encouragement to knit; hoping that by so doing he will be ready to tramp over the barrens when the partridge season opens. We are sorry for the poor partridges.

FAMILY HISTORY.

Some few weeks ago I had an inquiry from one of the Gardner family in British Harbour, re the first of the family who came to this country. I gave a copy of the entry in the old Church Books which I now repeat with additional information:—
"1814—Married, John Gardiner, of the Parish of Asplebury, near Crewkerne, in the County of Somerset in Great Britain, and Grace, daughter of Henry and Mary Stone, of Old Bonaventure in this District."

To them were born: Theophilus 1815, Richard 1818, Edward 1820, John 1823, Rudolph 1826, Thomas 1829, William 1832. Theophilus married Maria Miller 1838, Edward married Grace Ashby 1840, John married Hannah Miller 1844, Thomas married Ellen Miller 1847, William married Jane Ivamy 1857.

To Theophilus and Maria were born: Richard 1848, Amy Ann 1847, Jacob 1850, Abraham 1853, Hannah 1854, Jane 1858, Christiana 1860, Eli (or Levi) 1863.

To Edward and Grace were born: Theodosia 1846, William 1850, Henry 1853, Arthur 1854, James 1858.

To John and Hannah were born: Noah 1846, Grace 1854, Emma 1861, Thomas William 1864.

It is quite possible that I have

overlooked some of the names. Running the line, however, down through Edward's family we get the following sequence:
(1) John and Grace Gardner; (2) Edward; (3) Arthur; (4) John. I shall be glad to supplement this week any other information or data that may be interesting to the Gardner family.

ANSWERS TO CORRESPONDENTS.

M.—The Mews, Lockyer and Facey families were connected by marriage a hundred years ago, as follows:—

The Lockyers and Mews' were neighbours in Christ Church, Hants, England. A Mr. Mews married a Miss Lockyer (a sister I believe, of my Grandfather, James Lockyer). Their son was baptised James Lockyer. His James Lockyer Mews, came to Trinity in the early part of the last century, and served on the clerical staff of Robert Slade & Co., Trinity. He then succeeded Mr. Torcher as Agent for Robert Slade & Co., at Hant's Hr. In 1821 he was married in St. Paul's Church, Trinity, by Rev. Wm. Bullock, to Christiana Facey, a sister of the late Capt. Nicholas Facey. Their children were: George, William, Jas., Stephen, Sarah, Amelia, Mary and Christiana, who have all been called to rest. Mrs. Mews now visiting at Trinity is the wife of Leonard C. Mews, who is a son of William, Master R. Carman Mews, who is also visiting here, being Leonard's son, represents the fifth generation of the Lockyer-Mews family in Christ Church Hants, England. The witnesses to the marriage of James Lockyer Mews and Christiana Facey, were William Codrory and Peter James Fennell. The Mews family used the Surname Lockyer as a Christian name in the person of James Lockyer Mews; and in the line of the Lockyer family, a son of James and Joanna Collis was Jas. Mews Collis.

S.A.—The family you enquire about moved away from Trinity years ago, and I have lost track of them.

F.A.H.—I have been permitted to read your letter to the hotel Management. We are all sorry to learn that unforeseen circumstances will prevent the spending of your honeymoon with us, as you intended to do. Thank you for the kind references to the writer of Week-End Notes. When the happy event is celebrated, permit me to join with the Psalmist in wishing you and yours "Abundance of peace, so long as the moon endureth."

Selly Cove—Francis Pearcy of Selly Cove, and Sarah Healey of Bonavista were married in Trinity on October 20th, 1811. Witnesses: John Warren, Samuel Mitchem.

Sleeves have decidedly taken to extremes, as the two most favored types are the very short sleeve and the decidedly long, tight-fitting sleeve.
