BUICK'S LEADERSHIP

In winning and in maintaining year after year, for the seventh consecutive year, the first choice of space at the American National Auto shows, Buick has demonstrated conclusively that the true value of any automobile is reflected in the consistency with which the public buys it.

Since the introduction of the 1925 Buick models public patronage has increased to an even greater degree.

MINARD'S LINIMENT FOR SPRAINS AND BRUISES.

HOW TO HAVE A LOVELY SKIN. Every woman can have a lovely skin if she gives it intelligent care. The skin is as fragile, as sensitive in its response to conditions as rare flowers. Like them, it must be tended, watched over. But a few moments each day are enough to create a skin of satin texture and exquisite bloom.
