A NEW RAISWAY PROJECT.—The Hamilton Spectator in speaking of the great advantage to the trade of that city in the extension of the railway system north of Guelph, advocates the construction of a direct line between Hamilton and Guelph, through the Townships of Puslinch and Flam-The Townships of Pusineh and Flamboro'. It adds: —This would effect a saving of some 27 miles, and would give us the advantage not only of a direct connection, but also a shorter route than Toronto possesses.
