These are times when good housekeepers are doing some drygoods buying. Some great cuts in prices have been made lately, and quite a few are taking advantage of the bargains, and thus saving their money. If you don't get your share of what's going it is not our fault. If you will not come and get 20 yards of a good heavy cloth dress material for your dollar, for other stores only offer you 14 yards of not as good a cloth as ours. Just in yesterday, two halves extra heavy Sheeting Cotton. We will sell you 12 yards for \$1. It's the best cotton for the money you ever saw, but as we said before, if you don't come for it the loss is yours, because 2 yards more for your dollar than what is given in other stores is worth getting. By the way, don't forget the Blankets we are selling. They are \$2.50, \$3, \$3.50 and \$4, and they are the best Blankets London people ever saw for the money, and you had better get a pair or two right off. A line of Ladies' All-wool, regular 25c goods that are reduced to 15c, are worth looking after before they are all gone—then it will be too late. We are selling off a great many odd lines of Dress Goods that were 25c for 12 1/2 and 15c, about half price, many desirable goods among them, and very likely just what you want. But you have got to come for it. We have done our duty in telling you. That's all we can do for you till you come and see us personally.
