

## MAN BIG RECEPTION FOR BLACK KNIGHTS

Orange Order Arranges for a  
Great Celebration on  
August 12.

When the 5,000 Black Knights of Ireland of the Orange Order come to London, on August 12, to celebrate the relief of Londonderry, they will be tendered the biggest reception that the order has ever put on in the city. At a meeting of a special committee last night, appointed to discuss plans for the entertainment of the delegates with a fitting celebration, embryo arrangements that later will be elaborated, were made. The celebration will be held in Queens Park, and will take the form of a big picnic.

**Plan Sports and Programme.**  
There will be sports on the track and an attractive programme will be arranged for presentation before the grandstand. A feature of the day will be the numerous pipe bands that will be in attendance. Although the celebration is still in its infancy here, several noted bands from Western Ontario have signified their desire to co-operate with the local order in making the day a gala event. Lis-towel, St. Marys, St. Catharines and other places will be represented by the pipers.

**To Run Excursion.**  
So that every town and city in Ontario will send delegates, the committee will make special arrangements with the railway companies for excursion rates for the day. Efforts will be made to have special trains running into London from the Huron and Bruce and the Stratford branch, while additional cars will carry the delegates into the city on many of the regular trains.

**Big Parade.**  
The day will open with a big parade through the downtown streets. The various pipe bands will be augmented by brass bands. It has not been decided whether floats and other similar features will be included in the scheme. On the arrival of the parade at Queen's Park the sports will be declared open, and everything will be on in full swing.

**Toronto Delegation Assured.**  
With the 700 promised from Toronto row a certainty, and a large delegation from the Grand Lodge of the United, United States' meeting at Niagara Falls, the attendance is sure to be record breaker.

The celebration was held in St. Catharines last year and was a huge success. The year previous Toronto entertained the delegates. This year is London's turn. The executive is losing no time in preparing for the event, and is confident of pulling off the real thing in conjunction.

Further arrangements will be made at subsequent meetings.

## WOULD COMPEL CITIZENS TO CARE FOR BOULEVARDS

Public Utilities Commission  
Asks City to Pass Bylaw  
Embodying This.

The public utilities commission, at a meeting yesterday afternoon, decided to ask the city to pass a bylaw compelling property owners to take care of the boulevards in front of their residences. The commission wants the bylaw worded so that it can do the work if the property owners fail to do it, and have the same charged against the property.

The sum of \$900 was appropriated to oil Sprinkbank Park. A four-way fire hydrant is to be installed at Dundas and Richmond streets as an experiment, and if it proves a success similar hydrants will be installed on Dundas street near Talbot, Wellington and Clarence streets.

General Manager Glauvitz reported that the request of the electrical workers for more pay and better conditions was being held at abeyance pending a report on the arbitration of a wage dispute in Toronto. It is expected that as a result of the arbitration a uniform scale will be adopted for all hydro cities in the province.

The commission spent some time conning the figures which show a surplus of \$30,000 for local hydro business the first six months. General Manager Glauvitz supplemented this statement with the assertion that the department now had 7,289 customers and was selling 9,400 horsepower.

**Where to Spend the Week-End.**  
To those who are at a loss to know where to spend the week-end, the Canadian Pacific Railway comes with the timely suggestion that you take their special fast train leaving London at 8:50 a.m. Saturday, June 20, and spend it in Detroit. The rate is \$2.70 adult, and \$1.35 child. All tickets good returning up to and including Monday, June 22.

Get tickets and all information from W. Fulton, the City Passenger Agent, 161 Dundas street, corner Richmond. 61c

## COAL DEALERS IN SESSION

TORONTO, June 18.—The tenth annual convention of the Canadian Retail Coal Association was held here today at the King Edward Hotel. About 120 members of the various sections of the province were present. The following officers were elected: President, Frederick Mann, Brantford; vice-president, E. Brown, Port Hope; directors, J. A. Harrison, Toronto; J. A. McLean, Wingham; W. Sargeant, Barrie; J. C. Hay, Listowel; B. Blair, Woodstock and J. M. Daly, London.
