Come To South London on July 1

AND SEE THE MANY ADVANTAGES FOR MAKING YOUR NEW HOME HERE : : : :

Most important to the homeseeker, available building sites here are much closer to the centre of the city than in any other district, and lot prices are low yet.

More homes were built in South London during the past year than in any other part of the city. New roofs are to be seen throughout all this section, and South London is now having more paving and city improvements than ever before.

With the paving of such main streets as Ridout, Elmwood avenue, Wortley and Wharncliffe road, South London takes on new energy and a great stride

MANOR PARK Building Lots Are Your Opportunity Today

Over 400 families have bought their home sites in this beautiful property during the past year. Twelve months ago there was just one house on Manor Park—today there are 50 houses, a store and a church up, and many more will build this season.

MANOR PARK

IS EXCEPTIONALLY WELL LOCATED. having WHARNCLIFFE ROAD for its eastern boundary and Tecumseh avenue, Briscoe, Langarth and other streets crossing it. The Ridout street cars run within one block of the property, and the conductor will tell you where to get off.

If You Own Your Own Home-

YOU HAVE NO RENT TO PAY.

No one can buy your home unless you decide to sell, and if you do sell, you get the money.

It provides for old age and the rainy day.

If you make any improvements in a rented house the result is the landlord's. If you improve your own
