the Lincoln Trust company, but has been prevented from opening the box Miss Michaud-Pulien claims the contents belonged to Joseph Georges Michaud, who died recently in Quebec, and that she is his next of kin and executrix of his estate. The claimant obtained an order from the Surrogate Court calling on the company to open the strong box, but the company has failed to comply. According to the company a person representing himself as J. A. Belanger rented the box in July. 1918, and that later a person claiming the same name, attempted to open it. the company says, it identified him as rented the box. The company now insists that before opening the box it must be shown that J. A. Belanger and the late Joseph George Michaud were

Plenty of Hot Water on Wash Day - with

Y THE aid of the Hotpoint Water Heater you can have an abundance of hot water by simply turning a switch. No fires to light, no fuss or bother.

The Hotpoint Water Heater is the fastest and most economical electric water heater manufactured. Its patented metal-clad element is practically indestructible. The heater itself, is extremely neat in appearance and may be attached to any domestic tank. The controlling switch may be located in any convenient part of the house.

Hotpoint Water Heaters are made in two styles—the circulation type, as illustrated, will give you hot water almost as soon as the current is turned on, while the immersion type is made for continuous operation.
