THE THALBERG PIANO.

This celebrated Instrument, with all the most recent improvements, is still offered to the user at the extremely low price of Two Hundred and Ninety dollars, (\$290.00). As competition and had times cut down the prices and reduce the quality of current instruments, the cash price of THE THALBERG IS MAINTAINED and THE QUALITY IS IMPROVED. The instrument is only offered to those "who mean money"—those who can pay cash and who want a bottom price. The "Long Credit people" need not apply, as the instrument is put down to meet the cash buyers. Families who are thinking of purchasing a piano, and who are canvassed by agents, can save themselves much annoyance by remitting a bank draft or P.O.O. for a Thalberg direct to the wholesale agents. They may have to wait a few weeks, as all instruments are shipped direct from the factory, the Company seeing that each instrument is put up and tuned. A guarantee is given with each instrument securing the utmost satisfaction. No agent solicits your order for THE THALBERG (full 7 1/2 octave instrument), write direct to the agents. Now is the time to order!

CANCERS CURED.

DON MOUNT, October 2nd, 1875.

O. C. WOOD, Esq., M.D.

DEAR DOCTOR,—You enquired after my health and views relative to your treatment of the cancerous affection in my lip—now just eleven years ago in reference to which I have to express my gratitude to an overruling Providence that I was led to an acquaintance with you, and became a subject of treatment by you. My lip had been sore at least seven years (7) years, exceedingly painful, and for two or three years before you took it in hand, almost unendurable. All sorts of experiments had been submitted to by me, embracing caustics, excoriation—everything indeed but the surgical knife—and in vain; for it always returned, and worse than before. Your treatment effected a speedy, complete and permanent cure. The cancerous humour seems thoroughly expurgated from my blood. I have now for a long time used nothing antagonistic as at first, nor any stimulant or tonic to keep up my system; and yet my health is perfect, and, at the age of sixty-six, I am laboring with a vigor equal, if not superior, to any other part of my laborious life. You are at liberty to make any use of this you may judge proper. Yours gratefully, JOHN CARROLL, Methodist Minister.
