A GUIDE TO INVESTORS

A SUMMARY OF FINANCIAL AND COMMERCIAL NEWS.

Vol. 1. No. 59.

MONTREAL, WEDNESDAY, AUGUST 10, 1898.

Price 3 cents.

Montreal Stock Market.

STOCKS SHOW A FIRM FRONT.

WAR EAGLE MORE IN EVIDENCE.

CANADIAN PACIFIC STEADY.

TORONTO RAILS AGAIN OVER PAR.

Stocks were all better this morning, much no doubt, in sympathy with New York's strength, and slightly improved quotations from London, on Pacific. The news from the United States regarding Railway rates continues very threatening on the surface. The question for the operator to decide, is, whether this open enmity is for effect or not; ere long we will doubtless be treated to all kinds of reports on the settling of the and rate retaliatory measures of American roads, through Congress.

CANADIAN PACIFIC.

Opening at yesterday's bid price, sales of 250 shares were effected. A better feeling soon manifested itself and the rest of the day's business was transacted at 83½, this price is still bid at close with 83¼ asked.

MONTREAL STREET RY.

The 250 shares of this security which changed hands brought yesterday's selling price—175. At the close sellers still offered the shares at same price with 27¼ bid. The earnings increased \$794.90 yesterday, and amounted to \$4,557.10.

TORONTO RAILS.

There was a better feeling in rails. The demand for it from beginning of session was good. The first sale was ¾ over yesterday's last price, and on good trading it advanced to 100. In all, 315 shares sold. The close was steady.

WAR EAGLE.

This stock was more freely dealt in than for some time past. It seems well able to take care of itself. At 265 sales amounting to 16,000 shares were made; mere, however, were offered at this price at the close.
