5-Banded Italian Queens

Warranted--\$1, after May, 75c.

Best stock and method; no poor, forced
queens. This is how they please:

"The dozen queens I rec'd from you last May, have
proved very satisfactory indeed--Part give bees as
yellow as gold, very gentle and good workers. You
may expect more orders from me."

F. J. MILLER, 212 Dundas St., London, Ont.

"The Queens came promptly. They are an extra
fine lot. The Bees are finely marked, gentle, and
hustlers when it comes to honey. I have no trouble
in picking them out now from over 600 colonies."

W. L. CONGSHALL, West Groton, N. Y., Oct, 17, '93.
